EXCERPT FROM THE MINUTES OF THE 24th REGULAR SESSION OF THE SANGGUNIANG BAYAN OF TABANGO (2022-2025) HELD AT THE SB SESSION HALL, MUNICIPALITY OF TABANGO, PROVINCE OF LEYTE ON DECEMBER 27, 2022.

MUNICIPAL ORDINANCE NO. 2022 - 09

Series of 2022

Sponsored by the HON. FORTUNE FRAULINE T. MISA
Chairperson-Committee on Youth and Sports Development

AN ORDINANCE STRENGTHENING YOUTH PARTICIPATION AND REPRESENTATION IN LOCAL DISASTER RISK REDUCTION AND MANAGEMENT OF THE MUNICIPALITY OF TABANGO.

WHEREAS, the municipal government vehemently looks forward to the development of the youths in the field of leadership. Sportsmanship and good governance, thereby molding them to become effective pillars of the nation in the near future;

WHEREAS, considering that the Disaster Risk Reduction Management Office is the lead agency in promoting disaster resiliency brought about by both man-made hazards and natural calamities, then it is designed to develop and recommend policy actions to enhance community resiliency to disasters that demand active and willing involvement of the youth sector;

WHEREAS, Section 12 of Republic Act 10121 otherwise known as the Philippine Disaster Risk Reduction and Management Committees (PDRRMCs) in setting the direction, development, implementation, and coordination of disaster risk management programs in their territorial jurisdiction;

WHEREAS, Pursuant to Section 14 of Republic Act 10121, the Local Disaster Risk Reduction, Management Office (LDRRMC), and the Sangguniang Kabataan (SK) Councils shall encourage community, specifically the youth, participation in disaster risk reduction and management activities such as organizing quick response groups, particularly in identified disaster-prone areas, as well as the inclusion of disaster risk reduction and management programs as part of the SK programs and projects;

WHEREAS, it is but practical that the young people in the society be equipped with knowledge of readiness to foster their staunch participation for public awareness and information dissemination through the Municipal Disaster and Risk Reduction Management Office (MDRRMO);

WHEREAS, the Local Government Unit shall establish adequate, effective, and enabling mechanisms and support systems that will ensure meaningful participation of the youth in Local Governance and nation-building.

WHEREAS, to ensure maximum participation among the members of the Sangguniang Kabataan and the youth sector in the barangay in strengthening youth participation and representation in Local Disaster Risk Reduction and Management, there is a need for the Sangguniang Bayan to enact an ordinance that will ensure the promotion of general welfare of its youth as an integral part of the society.

WHEREFORE, BE IT ORDAINED, by the Sangguniang Bayan of the Municipality of Tabango in its regular session assembled that:

SECTION 1. TITLE – This Ordinance shall be known as the “Local Youth Participation in Disaster Risk Reduction and Management Ordinance of the Municipality of Tabango.”

SECTION 2. DECLARATION OF POLICY – It is hereby declared as policy of the Municipality of Tabango to promote and protect the physical, moral, spiritual, intellectual, and social well-being of Filipino youth, inculcating in their patriotism and nationalism, and encourage their involvement in public affairs.

The Municipality of Tabango recognizes the vital role of the youth in disaster-related efforts. Although they are one of the vulnerable and marginalized sectors in times of calamities, it cannot be argued that they are also potential and necessary partners in preparing the Municipality to ensure that there is proper youth representation and to mainstream youth participation in disaster risk reduction and management, and climate change adaptation.

SECTION 3. DEFINITION OF TERMS – As used in this ordinance, the following terms shall remain:

- a) **Youth** shall refer to those persons whose ages range from fifteen (15) to thirty (30) years old as defined in Republic Act No. 8044. For the purpose of targeted programming for the youth, the age disaggregation shall be considered:
 - 15-17 – child youth
 - 18-24 – core youth
 - 25-30 – adult youth
- b) **Youth Organizations** shall refer to those organizations whose membership/composition is the youth.
- c) **Youth-Serving Organizations** shall refer to those registered organizations whose principal programs, projects, and activities are youth-oriented and youth-related, and whose composition is not limited to the youth. The organization shall be duly recognized or accredited by proper local government registering entities.
- d) **Adaptation** – the adjustment in natural or human systems in response to actual or expected climatic stimuli or their effects, which moderated harm or exploits beneficial opportunities.
- e) **Capacity** – or capability, is a combination of strengths and resources available within a community, society, or organization that can reduce the level of risk or effects of a disaster, which may include infrastructure and physical means, institutions, societal coping abilities, as well as human knowledge, skills, and collective attributes such as social relationship, leadership, and management.
- f) **Climate Change** – a change in climate that can be identified by changes in the mean and/or variability of its properties and that persist or an extended period typically decades or longer, whether due to natural variability or as a result of human activity.
- g) **Disaster** – A serious disruption of the functioning of a community or a society involving widespread human, material, economic or environmental losses and impacts, which exceeds the ability of the affected community or society to cope using its resources.
- h) **Disaster Mitigation** – the lessening or limitation of the adverse impacts or impacts of hazards and related disasters.
- i) **Disaster Preparedness** – the knowledge and capacities developed by the governments, professional response and recovery organizations, communities, and individuals to effectively anticipate, respond to, and recover from the impacts of likely, imminent, or current hazard events or conditions.
- j) **Disaster Prevention** – the outright avoidance of adverse impacts of hazards and related disasters through actions taken in advance such as the construction of dams or embankments that eliminate flood risks, land use regulations that do not

- permit any settlement in high-risk zones, and seismic engineering designs that ensure the survival and functions of a critical building in any likely earthquake.
- k) **Disaster Response** – or disaster relief, is the provision of emergency services and public assistance during or immediately after a disaster to save lives, reduce health impacts, ensure public safety, and meet the basic subsistence needs of the people affected, which is predominantly focused on immediate and short-term needs.
 - l) **Disaster Risk** – the potential losses in lives, health status, livelihood, assets, and services that could occur to a particular community or society over a specified period.
 - m) **Disaster Risk Reduction** – the concept and practice of reducing disaster risks through systematic efforts to analyze and manage the causal factors of disaster, including reduced exposure to hazards, lessened vulnerability of people and property, wise management of land and environment, and improved preparedness for adverse events.
 - n) **Disaster Risk Reduction and Management** – the systematic process of using administrative directions, organizational and operational skills, and capabilities to implement strategies, policies, and improved coping capabilities to lessen the adverse impacts of hazards and the possibility of disaster. Prospective disaster risk reduction management refers to risk reduction and management activities that address and seek to avoid the development of new or increased disaster risks, especially if risk reduction policies are not put in place.
 - o) **Emergency** – unforeseen or sudden occurrence demanding immediate action.
 - p) **Mitigation** – structural and non-structural measures undertaken to limit the adverse impacts of natural hazards, environmental degradation, and technological hazards and ensure the ability of at-risk communities to address vulnerabilities aimed at minimizing the impact of disasters. Such measures include, but are not limited to, hazards-resistant construction and engineering works, formulation and implementation of plans, programs, projects, and activities, awareness raising, knowledge management, policies on land use and resource management as well as the enforcement of comprehensive land use planning, building and safety standards, and legislation.
 - q) **Post-Disaster Recovery** – the restoration and improvement of facilities, livelihood, and living conditions of disaster-affected communities, including efforts to reduce disaster risk factors.
 - r) **Preparedness** – pre-disaster actions and measures being undertaken within the context of reduction and management and are based on sound risk analysis as well as pre-disaster activities to avert or minimize loss of life and property such as but not limited to, community organizing, training, planning equipping, stockpiling, hazard napping, insuring of assets, and public information and education initiatives.
 - s) **Rehabilitation** – measures that ensure the ability of affected communities/areas to restore their normal level of functioning by rebuilding livelihood and damaged infrastructures and increasing the communities' organizational capacity.
 - t) **Resilience** – the ability of a system, community, or society exposed to hazards to resist, absorb, accommodate, and recover from the effects of a hazard in a timely and efficient manner, including preserving and restoring its essential structures and functions.
 - u) **Risk** - the combination of the probability of an event and its negative consequences.
 - v) **Risk Management** – the systematic approach and practice of managing uncertainty to minimize potential harm and loss.
 - w) **Vulnerability** – the characteristics and circumstances of a community, system, or assets that make it susceptible to the damaging effects of hazards which may arise from various physical, social, economic, and environmental factors such as poor design and construction of buildings, inadequate protection of assets, lack
