COMMITTEE REPORT NO. 3 S. 2023

The Committee on Business & Development conducted a Public Hearing last June 2, 2023, at the Sangguniang Bayan Session Hall, which was attended by Hon. Meriam P. Umpad, the Chairman of the Committee and the author of the proposed Municipal Ordinance, Hon. Felipe S. Casa Jr., Sangguniang Bayan member, Mrs. Alicia A. Devota, Representative from the Municipal Treasurer's office, SFO3 Venancio P. Astorga, Head of Bureau of Fire Protection Villaba Station, and FO2 Jercil M. Malinao and Mr. Danilo R. Bestorillo, President of Villaba Chambers and Commerce.

Hon. Umpad discussed that this proposed ordinance was created in line with the DILG memorandum circular no. 2022-060, which encourages municipalities to enact an ordinance prescribing the installation of CCTV systems as a requirement for the issuance of business permits to establishments catering to a large number of customers.

The Hon. Umpad discussed that all business establishments with Five Hundred Thousand Pesos (PHP 500,000.00) or more in the capital are required to install or provide CCTV cameras.

Furthermore, it was also discussed that the educational establishment in the municipality either private or public, and local government facilities, buildings, and high-risk areas shall likewise install Closed-Circuit Television (CCTV) cameras at entrance and exit points or as may be recommended by the PNP Chief of Police.

Hon. Umpad mentioned that any violation of this ordinance shall be punishable by: First Offense: Fine of Two Thousand Five Hundred Pesos (PHP 2,500.00) and in the Second Offense: Revocation of Mayor's Permit.

Hon. Umpad discussed that the Municipal Treasurer's Office (MTO) and the Police Station are hereby tasked to assist each other in the implementation of this ordinance.

Mrs. Alicia A. Devota raised her concern in section 3 that all types of business must be specified or mentioned under a business establishment. Further, she suggested that the LGU must first provide CCTV cameras at the entrance and exit points for security purposes. Moreover, she mentioned that there is a need to inspect all business establishments before January 2024 and that a meeting shall be called for the purpose.

Mr. Venancio P. Astorga, from the Bureau of Fire Protection, suggested that we must create a composition of an Inspection Team from OBO, BFP, PNP, and DILG.

They agreed that there must be an option for specification on what SPECS of CCTV cameras to be used.

No other matter was discussed.

The Committee Hearing ended at exactly 11:36 o'clock in the morning.
