He declared that the MACWASS will not impose an increase on its fees and charges and will continue to improve its services to meet the desire of supplying the nearby municipalities to generate revenue but of course, it will give priority to the needs of its constituents. Article A1. Sale of Bangus and Tilapia Fingerlings

Section 5A1.01 Bangus/Tilapia Fingerlings from old rate of .50 to Php1.50 per piece for size 17.

Meanwhile Punong Barangay of Danao, Honorable Milar appealed not to increase the fees since they have not gained the target income due to stealing incidents in their fishpens. He lobbied to settle first the issue and requested to have a Police assigned in their barangay for at least a year to resolve the issue. He then asked if the Php1.50 be lowered to Php1.00. Mrs. Lumpas answered that the Bantay Lawa that was organized, whose function was to protect the area where the ones commit mistakes and the barangay constituents itself are not cooperative. She suggested that the constituents must make sacrifices and the barangays of Villa Imelda and Danao to collaborate to resolve the issue. Punong Barangay of Villa Imelda, Honorable Bausal appealed to retain the license fee of Php2000.00 for the fishpen. In addition, Mr. Caluna (attendee) also appealed not to have high increase since they have not yet recovered from the loss from the destruction of the last typhoon. He asked to lower the imposition fingerlings from Php1.50 to .75 as stated in Article A1. Section 5A1.01. Mr. Lumbre declared that in the rationalization of fees the inflation rate was put into consideration.

For the Local Civil Registry, Mr. Jose T. Campos, Municipal Civil Registrar, gave his presentation. He also made an announcement about BREQS and shortly explained the services under the different Republic Acts stated in the imposition of fees. Those under the national law will retain its imposition such as the License Fee of Php2.00 and the RA 9048 which is Php1000.00 instead of Php1200.00.

Lastly, Dra. Olah Joy Abueva-Caviero, Municipal Health Officer presented the impositions of the Municipal Hospital Service Fee.

Section 5D.01

an appeal on the imposition of fees or all the proposed rates will be deemed approved.

On the other note, Honorable Mundala made a clarification on the imposition for the Marriage Counseling Fee from Php200.00 to Php600.00. Mr. Campos answered that the rate was the result from the formula given by the BLGF and even shared that officer from the BLGF commented that the Php600.00 is cheap compared to other municipalities. Mr. Lumbré added that in the Marriage Counseling the service involves employees with a higher plantilla position whose salaries are considered in the rationalization of fees. Honorable Pantin spoke that if the BLFG formula was strictly followed, all of the fees are high, but it was adjusted considering the capabilities of the payee.

Mr. Calunia queried addressed to Mr. Campos relative to the correction of name of his wife. Mr. Campos said that it falls under RA 9048 and RA 10172 advised how to deal with it and to make a visit to his office to secure the supporting documents.

Another, Honorable Mundala brought up about the issuance of Police Clearance. PnP Mercurio imparted that the issuance of Police Clearance is not anymore under the jurisdiction of MacArthur Police Station but can be secured from PNP Abuyog or Mayorga and payment is directly paid to the Land Bank of the Philippines. Hence, the imposition of fees for Police Clearance must be deleted from the LRC.

A representative from Strong Built mining company, Ms. Sueco gave her following suggestions/query:

1. to lessen the imposed tax as stated Section 2D.02 that was previously Php2,000,000.00 and proposed to Php5,000,000.00;
2. to include the Mines and Geosciences Bureau Regional Office and the mining company in the formulation of taxes;
3. the alignment of barangay and LGU permit and how it is being computed.

Mrs. Lagarto answered that the Strong Built mining company is not paying the Php2,000,000.00 and was invited to her office but did not attend to the invitation. The Sangguniang Bayan is not the one who formulated the rates but it was obtained through a formula given by the BLGF. She pointed out that if to strictly follow the imposition, 70% should be paid by the mining company to the LGU. Ms. Sueco said that she was not aware of the invitation and defended that her company is not doing business since there is no extraction activity. Mrs. Lagarto declared that based on mining law, a satellite office is located under the jurisdiction of the municipality, the head office of the company should pay 70% to the LGU. Though the Strong Built is not doing extraction but MIPC is using its name for its operation, thus, the Strong Built mining company is indirectly operating. And it can't be denied that there is no operation because the company paid Php150,000.00 to the barangay where the mining site is situated and was given the certification by the barangay that the company is operational. Ms. Sueco insisted on having further clarifications. To finally resolve, Mrs. Lagarto declared to have another communication letter to invite the mining company to fully discuss the matter.

Another attendee expressed his comments. Mr. Kempis said that he is not against the development of the municipality, but he requested to consider the low-income households in the imposition of rates. He also recommended a

market feasibility study and identify where to put the infrastructure projects. He also commented not to make an ambition of bringing the municipality of MacArthur into a 4th class.

The Honorable Jesus A. Baranda declared that the actions being done is in consideration for the 5th class municipality and the LGU is dependent of the collection of tax and other fees imposed. The inflation rate affects the rationalization of fees and taxes. The LGU must move forward, and projects are being well planned given the limited resources. He imparted that one of the priorities is to resolve the water supply and might outsource through loans for the implementation of projects.

Mr. Kempis appealed to at least impose minimal rates. He also raised his concern about his dilemma regarding an open space at the market causing less buyers to his stall. Mrs. Acala commented that every market vendor must make strategies to attract customers. Since the concern is not part of the agenda and to maximize the time, Mr. Lumbre endorsed Mr. Kempis to the rightful office to discuss and resolve his concerns.

After the deliberations on Municipal Ordinance No. 4, Series of 2023, Mr. Lumbre presented Honorable Pantin, the Chairman on the Committee on Health deliver his proposed Municipal Ordinance No. 09, Series of 2023 entitled An Ordinance Banning the Sale/Distribution/Re-selling of Pharmaceutical Products in Sari-sari Stores and Other Similar Retail Outlets within the Jurisdiction of the Municipality of MacArthur in the Province of Leyte. He emphasized that his proposed ordinance was based on the mandate of the DILG under Memorandum Circular No. 2022-025, dated March 02, 2022, Section 30 of RA No. 10918, otherwise known as the Philippine Pharmacy Act, prohibits the compounding, dispensing, selling or re-selling of pharmaceutical products through retail drug outlets not licensed by the Food and Drugs Administration (FDA) and Republic Act No. 8203, otherwise known as the Special Law on Counterfeit Drugs, also prohibits any person from manufacturing, selling, offering for sale, donating, distributing, trafficking, brokering, exporting, importing or possessing counterfeit drugs.

In general, this ordinance is to protect the health of the public from abuse of medicine. Hence, the sari-sari store and other retail outlets has to secure FDA permit to dispense over the counter medicines.

After the presentation, Punong Barangay of Brgy. Sta. Isabel, Honorable Corado raised her concern for barangays located upland like hers, wherein sari-sari stores is the nearest outlet to buy medicine, most especially during emergencies or late hours. Honorable Pantin answered that they still need to secure the FDA permit. To fully explain, Dr. Caviero made a statement that FDA Certificate are for over-the-counter medicines such as paracetamol since antibiotics are only dispensed when prescribed by doctors. The reason for the regulation is due to the high resistance of our body to antibiotics as based on the studies conducted by FDA and DOH, and to prevent the use counterfeit medicine. Honorable Corado also asked the address of the FDA and was answered at PHCCI Building, Tacloban City. Honorable Milar asked if ambulant vendors selling

medicine also need to secure the FDA Permit. Honorable Pantin said they also need to secure the permit.

Since there were no more concerns raised on proposed Municipal Ordinance No. 09, Series of 2023, the presentation moved to the last agenda.

Mr. Lumbre called in Honorable Remanes Jr to present his proposed Municipal Ordinance No. 11, Series of 2023 entitled An Ordinance Mandating Business Establishments Operating with the Territorial Jurisdiction of MacArthur, Leyte to Install a Closed-Circuit Television (CCTV) System and Prescribing Penalties Thereof.

Honorable Remanes stress the advantages of having the CCTV system installed in business establishments in the prevention of crime and providing relevant evidence. Honorable Mundala presented the specifications of the CCTV units. Ms. Sueco asked for the cost of the CCTV unit. Honorable Barquin gave a rough estimate that seems to be costly, but he pointed out the long-term investment for the business for the advantages it provides. Mr. Rosel, attendee appealed to limit the number of units to one but Honorable Remanes Jr to add more unit and not just one. Honorable Milar asked if those small-scale business that does not secure business permit need to install CCTV system. Honorable Remanes Jr. answered need not.

As there no more concerns raised, Mr. Campos stated that the proposed ordinances will undergo Second Reading by the Sangguniang Bayan. Mrs. Lagarto added that prior to the Second Reading there will be a committee meeting.

After all the methodological presentations and open forum, the Honorable Jesus A. Baranda gave his closing remarks by expressing his gratitude for the success of the public hearing through the participation of the Municipal Officials headed by the Local Chief Executive, Honorable Rudin T. Babante, the different department heads concerned, Punong Barangays, CSOs and business proprietors.
