The Chair recognized the author, Honorable Artemio T. Almoroto who proceeded to present his proposed ordinance to ensure the hog population in our municipality is fit for human consumption and free from ASF.

A general discussion ensued where it was agreed that the barangays should be vigilant so as to ensure that there is no outbreak of ASF in our component barangays and in our municipality in general.

The Honorable Joel G. Tacoy interjected on the matter of issuing the Transport Authority Certificate. He pointed out that the barangays should not tolerate that the client would secure permit from other barangays and not from the origin barangay where the livestock has come from. This practice should be discouraged so that (1) the barangays will earn, and (2) avoid any barangay from getting tangled in case the livestock that were transported are not healthy or carrying any disease specially ASF. So the barangays should design a strategy where there is an available form to be filled up and issued even the Punong Barangay is not around to sign the said document.

After a short discussion on the matter, the Body agreed that there are no corrections nor any adverse reactions to the provisions of the above-mentioned proposed ordinance.

The Chair recognized the proponent, the Honorable Romeo N. Albarida who proceeded to present the salient features of the above-mentioned ordinance.

The foregoing is what transpired during the presentation of this ordinance:

Punong Barangay of San Sebastian, Honorable Reneboy Mabuan made a point that the administrative fines imposed against violators are fair so as to deter any person from violating any of the provisions of this ordinance.

Punong Barangay of Talisay, Honorable Joel G. Tacoy also agreed. He further interpolated that our constituents should develop the discipline so that they become responsible pet owners too. When their pet dogs defecate in the streets then they should scoop up their pet's feces to maintain the cleanliness in the streets.

The Honorable Romeo N. Albarida then asked for the Municipal Environment and Natural Resources Officer (MENRO), Miss Charmaine T. Parac who proceeded to explain that this program will be injected in the barangay monthly clean up drive.

A general discussion on the concerns of stray dogs that are also causing problems in our community. The Honorable Artemio T. Almoroto agreed that indeed stray dogs are causing problems in our community and he feels responsible specially since it is under his committee but that he authored an order particularly to solve the problem on stray dogs. After a short discussion on the matter, the Honorable Romeo N. Albarida redirected the discussion and made a motion that the matter of stray dogs will be treated in another venue. The Chair then directed the Secretary to furnish the Barangays copy of the ordinance on stray dogs for their guidance since most of the Punong Barangays sitting at the moment are new.
