### EXPLANATORY NOTE

The 1987 Philippine Constitution in pursuance to Section 13 Article II thereof mandates that; quoted hereunder in a penultimate paragraph

*“the State shall recognize the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being and shall inculcate in the youth patriotism and nationalism, and encourage their involvement in public and civic affairs”*

Furthermore, Republic Act No. 8044 otherwise known as the “Youth in Nation Building Act” gives recognition to youth’s responsibility in fulfilling their vital role in consonance with the herein quoted Republic Act.

The youth development sector in our locality is one of the priorities of the Municipal Local Government particularly in the protection of the rights as well as the promotion of their general welfare and youth participation in the different development programs.

It is with this premise, that in the realization of our vision in providing a youth friendly environment for the improvement of the quality of life of the youth sector, there is a need for the Sangguniang Bayan to enact an ordinance upholding the rights and ensuring the promotion of general welfare of our youth and their protection from act, conditions, or influences that are prejudicial to their development, hence these two (2) ordinances requested to be prioritized and be considered as urgent.
