The Chair recognized the author, Honorable Artemio T. Almoroto who proceeded to present his proposed ordinance to ensure the hog population in our municipality is fit for human consumption and free from ASF.

A general discussion ensued where it was agreed that the barangays should be vigilant so as to ensure that there is no outbreak of ASF in our component barangays and in our municipality in general.

The Honorable Joel G. Tacoy interjected on the matter of issuing the Transport Authority Certificate. He pointed out that the barangays should not tolerate that the client would secure permit from other barangays and not from the origin barangay where the livestock has come from. This practice should be discouraged so that (1) the barangays will earn, and (2) avoid any barangay from getting tangled in case the livestock that were transported are not healthy or carrying any disease specially ASF. So the barangays should design a strategy where there is an available form to be filled up and issued even the Punong Barangay is not around to sign the said document.

After a short discussion on the matter, the Body agreed that there are no corrections nor any adverse reactions to the provisions of the above-mentioned proposed ordinance.

257 The Chair recognized the proponent, the Honorable  
258 Romeo N. Albarida who proceeded to present the salient  
259 features of the above-mentioned ordinance.  
260

261 The foregoing is what transpired during the  
262 presentation of this ordinance:  
263

264 Punong Barangay of San Sebastian, Honorable  
265 Reneboy Mabuan made a point that the administrative fines  
266 imposed against violators are fair so as to deter any person  
267 from violating any of the provisions of this ordinance.  
268

269 Punong Barangay of Talisay, Honorable Joel G.  
270 Tacoy also agreed. He further interpolated that our  
271 constituents should develop the discipline so that they  
272 become responsible pet owners too. When their pet dogs  
273 defecate in the streets then they should scoop up their pet's  
274 feces to maintain the cleanliness in the streets.  
275

276 The Honorable Romeo N. Albarida then asked for the  
277 Municipal Environment and Natural Resources Officer  
278 (MENRO), Miss Charmaine T. Parac who proceeded to  
279 explain that this program will be injected in the barangay  
280 monthly clean up drive.  
281

282 A general discussion on the concerns of stray dogs  
283 that are also causing problems in our community. The  
284 Honorable Artemio T. Almoroto agreed that indeed stray  
285 dogs are causing problems in our community and he feels  
286 responsible specially since it is under his committee but that  
287 he authored an ordered particularly to solve the problem on  
288 stray dogs. After a short discussion on the matter, the  
289 Honorable Romeo N. Albarida redirected the discussion  
290 and made a motion that the matter of stray dogs will be  
291 treated in another venue. The Chair then directed the  
292 Secretary to furnish the Barangays copy of the ordinance  
293 on stray dogs for their guidance since most of the Punong  
294 Barangays sitting at the moment are new.
