01. **SEC. VILLOTE:** So, without further ado, ighahatag ko kamo ngadto san
02. Committee Chairman sit Committee on Social Welfare and Development, Family, Women
03. lakip it children, si Honorable Allera para magtikang kita sit Public Hearing. Thank you so
04. much.

05. **HON. ALLERA:** Thank you san aton SB Secretary. Now we have to start the Public
06. Hearing, but before we start, with regards to the contents of the draft ordinance, I would
07. like to give the floor anay para pag explain kay ano nga na...nahimo in inga ordinansa adi,
08. para mahabaro anay, kay ano nga anhi kamo...that include the functions involved and the
09. direction san aton ordinansa, nahimo in ordinansa tungod san mga paningkamot ngan
10. recommendation coming from the Department of Health and the other... the government
11. organization, private organization and other stakeholders...so, before naton pa pakli-
12. pakliun an per provision of this ordinance, mu input anay an taga Department of Heath
13. represented by Hermart Severino Regional of Program Manager DOH Eastern Visayas.

14. So, an iba pa nga mga question niyan nga para mahabaro kita ngatanan nga amu ini it
15. ordinansa. Thank you! Ighatag ko sa iyo adi'n Regional of Program Manager Hermart
16. Severino.

17. **MR. SEVERINO:** Hello, good morning, pasensiya kun medyo paas kasi singer kasi
18. si Sir, nagkinantahon kagab'e. So before we start, I would like to thank the... our Local
19. Government Unit of Abuyog, and our partners Save the Children, represented by our
20. LYDO, for inviting the Department of Health to join the public hearing with regards the
21. KADA Ordinance. So, before we start, Ig explain po namon kun ano an ibig sabihin han
22. KADA, okay la mag-waray Mam/Sir? Makaintindi man tanan po noh. So, KADA stands for
23. Key Assistance for Developing Adolescents, gin dagdagan po hin Network kasi nakikita po
24. kasi hiton datos san-una ano nga adto'n mga kabataan daw nagkailangan hin lugar nga
25. makadtu'an nga adolescents-friendly, waray judgement ngan tatagan sin serbisyo. Though
26. an aton RHU ay readily available makahatag hin mga serbisyo pero diri ngatanan
27. nakagamit or nahingadto ha RHU, so kailangan....So, going back kita han at istorya han
28. una nga an aton RHU, an aton Hospital readily available maghatag hin serbisyo pero
29. gutiay la po an mga bata nan-ngangadto nangangaro serbisyo kasi diri po hira maaram
30. nga may serbisyo an aton mga RHU and Hospital, so that is why, an aton Department of
31. Health through the leadership han aton Health Promotion Bureau, naghimo hin ordinansa,
32. naghimo hin playbook nga kun diin upod an usa nga ordinansa han aton KADA Network.
33. Ini, gin aampo tanan nga barangay nga magkakamay-ada center kun diin pwede kumadto
34. an aton adolescent, pwede magpaki-ana, and then an tawo nga adto ha center nga amu
35. adto an magrerefer ha aton mga adolescent ha pinakaharani nga BHS or pinakaharani
36. nga RHU. Noh, Amu po ini it trabaho hit aton barangay heath worker, pero an aton mga
37. kabataan kasi mas close hira hit ira mga igkasi bata. So dapat may ada sentro kun diin an
38. bata mismo maaram na kun diin hira ig refer. In inga aton Sentro, kun diin may ada mga
39. bata or mga educator ig te-train po naton, tatagan po naton hin orientation kun ano it ira
40. ig yayakan, paano mag ko-council, paano makig-istorya, kun paano nira ig rerefer adto'n
41. bata, an ira mga issues didto, ha pinakaharani nga health center or pinakaharani nga
42. RHU. Noh, Magpapak-ana kamo kun kay ano anhi kamo yana dinhi, an aton gin tatawag,
43. an aton chapter 2 nga kun diin adto an mga local health officer, pop com officer, social
44. welfare, an aton liga of barangay, an aton mga regional committee on welfare of children,

gab/alida

M

45. sanggunian kabataan, DepEd, WCTP, an aton civil society adolescent representative, gin
46. dagdag na namon an local youth development officer kasi ini nga mga tawo, amu ini in
47. nagmumulay hin maupay nga role kun diin an aton serbisyo maihatag naton ha mga
48. kabataan. Noh, ada an aton SK, aada an aton Local Youth and Development Officer kay
49. hira po in usa nga prime mover together with the health offices nga maghahatag hin
50. serbisyo. An aton SK, sira po adton mayda mga...SK chairman ha mga barangay, kun
51. diin pwede po hira makabulig kau hira man adto'n maaram kun hin'o it mga kabataan ha
52. ira, madali nira marefer. So basically ana ton KADA Network ginhihingyap la niya ini nga
53. ngatanan nga kabataan nga may issue in terms of sexual reproductive health,
54. nagpapakiana han ira menstruation, nagpapakiana kung paano para diri maburod,
55. nagpapakiana regarding HIV AIDS, nagpakitana ha mental health depression, marerefer
56. naton an pinakaharani nga sentro, BHS, social welfare or di ngani an aton SK nga trained
57. para ma address in inga mga issue. So yun, siguro di ko na hahalabaon, an purpose la
58. po hini niya, ngatanan nga bata, matatagan hin serbisyo, ngatanan nga bata diri
59. mababayaan, ngatanan nga bata matatagan hin serbisyo para diri magkamay-ada mga
60. adolescent issues kasi dinhi ha region kun diri ba kita maaram anu, an Region VIII po ay
61. Top 3 han may pinaka hataas nga teenage pregnancy sa bug'os na Pilipinas, naunahan
62. pa po naton adto'n NCR and Cebu City and then based han NHTS nga datos ano, an
63. Leyte po an usa ha may pinaka hataas nga contribution in terms of poverty hini nga
64. teenage pregnancy. Diri po kita maaram kun an Abuyog po is Top 1, Top 2, Top 3 ha
65. Leyte. So, diri na po naton uliton nga adto'n datos nasering nga Top 1 po kita sa teenage
66. pregnancy, pipigilan po naton hiya, so hopefully ini nga aton ordinansa makakabulig
67. together para pagbulig naton, para pag paupay hini nga ordinansa, adi man hi Doctora
68. Agullo, an akon classmate, amu in mabulig ha iyo pag train together han amon provincial
69. officer, an aton women and adolescent... Mr. Melmar Marcos para ma ensure po naton
70. together han aton Local Youth Development Officer, Pop Com Officer nga ma ensure
71. naton nga ngatanan nga bata, capacitated, ngatanan nga bata, maaram pagsering nga
72. ayaw la anay makipaghilawas kun in case depressed, maaram hira kun inano nira pag
73. take care it ira sarili, para diri hira mag suicide, diri hira maburod and all. SO kun may ada
74. kita pakiana, ig oopen na po naton an floor yana para maaddress po naton an mga agam-

gabalida

Agullo

75. agam hini nga aton ordinansa. Amu la po adto Sir. Salamat ngan pasensiya kay nag singer
76. talaga ako kagab'e.

77. **HON. ALLERA:** Thank you Sir Hermart Severino. We have to proceed with the
78. draft ordinance. Ini nga ordinansa, ginhimo ini naton kay para makabulig kita sin aton mga
79. kabatan'unan kay kinahanglan na gud nga an Local Government Unit mu-implement, kay
80. an siring pa kanina, an rating, an pinakadako an teenage pregnancy, 10 to 19 years old,
81. maaram kita liwat nga an HIV dinhi sa Pilipinas, kusog, nagtikadamo kaupay, an kuan,
82. HIV nga sakit. Ngan an aton mga kabataan, bisan bata pa, nangag'asawa na kay waray
83. na kuan inin... waray na makakuan.... So muintindi na kita sin nga mga problema nga an
84. aton mga adolescents, an mga 10 to 19 years old, amu ini an mga kabataan nga
85. kinahanglan nga ma-train, matagaan naton sin maupay nga kabuwason, maupay nga
86. ira pagtubo kay ada sa ira it aton bungto naton nasyon nakasalalay, kun anu ini sira adi,
87. amu gihap sira, kun diri man maupay it ira pag tubo, diri maupay it ira kabutangan, diri
88. maupay it aton sunod nga mga panahon nga generation. So, kinahanglan nga makaintindi
89. na kita sini nga mga... especially an 10 to 19 years old labi na an mga kababayan'an kay
90. amu ini it madali nga sector san aton society...nga madali la kuan sin diri maupya nga
91. kuan, amu it gin abusaran usahay, kay bisan ngani it mga kaurupdan, mga tiyo, mga
92. kuan... usahay gin abusaran ini sira kay madali man la ini sira. So amu ini siya, an
93. purpose, an aton Local Youth Development pinaagi san aton Mayor, nga magburuglig
94. kita, dinhi sit aton bungto, para maupay it aton mga batan'on. So, with regards to this, mag
95. continue kita. An Title san ordinansa, san draft ordinance, AN ORDINANCE
96. INSTITUTIONALIZING KEY ASSISTANCE FOR DEVELOPING ADOLESCENTS IN THE
97. MUNICIPALITY OF ABUYOG, LEYTE, so KADA it iya kuan.... So di na kita magbasa san
98. mga whereas kay ada naman sa iyo mga kuan kay an mga basehan naton nga mga
99. balaod pag himo sin inga ordinansa adi it kaurugan sit aton whereas. So Chapter One,
100. General Provision. Short Title, This ordinance.... Ahhh, kun may ada nay'an niyo mga
101. pakutana, alayon nala ig kuan sa iyo kay may mga kopya man niyo, iton...checki nala,

396. Appropriations. Section 20. Appropriations. The funding and other resources necessary
397. to implement the provisions of this Ordinance may be sourced from the local government's
398. annual Internal Revenue Allotment (IRA); the funds of the Local Youth Development
399. Council (LYDC); or gender and development (GAD) funds, provided requirements for use
400. of these funds are satisfied. Subsidies from the national government or Centers for Health
401. Development (CHD) for related programs, projects, and activities; and/or funding support
402. or grants from other external development partners or non-government organizations
403. (NGOs) may also be used. So, an aton funding sini, damu it makuhaan san Sangguniang
404. Bayan, mag allocate it Sangguniang Bayan, basta an funding, an GAD Fund, basta ok si
405. Mayor, pwede kuhaan an GAD nga pondo. Ngani, mag appropriate pa it Sangguniang
406. Bayan siton pondo para sini nga program, kay may pondo gihapon an Rural Health Unit,
407. an MSWD Officer ngan iba pa nga opisina, labi na an GAD nga diri na kinahanglan.....
408. kay poyde na an Mayor kumuha siton iba nga mga opisina sit pondo para sit pag
409. implementation under siton nga pograma. Kun mayda pa naton external nga pagkuhaan
410. sa mga support sa National Agencies nga masupport san mga program nira, nga mahimo
411. siton topic sin mga Center nga kun ma poyde ma increase pa an association, mubulig sini,
412. diri kay kinahanglan mag appropriate it Sangguniang Bayan sit pondo. Ada na it mayor
413. magbuot, kun hain kuhaon, sa opisina kun diin man. Depende liwat next year paghimo sin
414. budget, kun an iya pagbuot, butangan gud sin budget pwede liwat thru recommendation
415. or thru suggestion, thru resolution coming from the KADA Network kay Chairman man
416. siton it Mayor, it kuan siton, pag submit didto, August it sa Local Government Unit,

417. kinahanglan makasubmit it KADA Network kun ano it mga problema, para magpasa sira
418. sin resolution kun kinahanglan ba sin pondo para ig pasa gihap sit aton Mayor kay siya
419. man gihap it Chairman para mahasulod sa budget next year. Sa pagka adi, pwede
420. gihapon magpropose sin iyo plan. So, depende na iton sit iyo pag meeting anu it iyo mga
421. kuan kan Mayor, adto siton iyo organization iton, iton KADA Network. So, from time to
422. time, mag convene kamo, ada man it secretariat, kamo la pag open forum, pag sabot-
423. sabot, kun san-o kamo maghangyo kan Mayor, mag convene kamo KADA Network,
424. especially an kuan, upon approval of this ordinance. Adi nga martes kay session namon,
425. ipasa ko ini for Second Reading, sa sunod nga Martes, Third and Final Reading na ini.
426. Mga 10 Days after, effective na. Ig pasa na sa Panlalawigan, diri na maghulat sin
427. Panlalawigan, basta ma approve na sit Mayor, review nala it Sangguniang Panlalawigan.
428. Basta na approve na sit Mayor, 10 days after, effective na it aton ordinance. So, amu ini
429. nga bagan, dako't gamit siton KADA Network, nga mag convene kamo para makasabot it
430. Mayor ano it mga panginahanglan niyo, anu nga mga kuan, Oo, amu adto sugad sini,
431. habaro it Mayor, ngan ika-duha, anu it kinahanglan sit aton pag implement sini..... So amu
432. la it katapusan kay it Chapter 9, Miscellaneous Provision naman la ini. Waray naman ini.
433. Implementing Rules and Regulations. The Municipal Mayor may issue appropriate and
434. relevant rules and regulations, as necessary for the proper implementation of any and all
435. provisions of this Ordinance. So bagan admin man, kun implementing rules and
436. regulation, kun okay na kan Mayor, depende na iton sit recommendation ni Mayor, kun
437. tagan kamo basta kay diri...basta nahasubay la pirmi sit ordinansa kun ano it himoun,
438. waray problema. Repealing Clause. All other orders and issuances, or parts thereof,
439. inconsistent herewith are repealed, amended, or modified accordingly. Effectivity. This
440. Ordinance shall take effect three (3) consecutive weeks after its publication in a
441. newspaper of local or general circulation, or posting in at least (2) conspicuous places
442. within the Municipality. Diri man ini necessary nga ig post ta ini sa kuna kay, it igin post la
443. kay kun may ada naton kuan...fees or mayda penalties, waray man ini penalties, waray
444. man ini charges and fees nga gin kuan, so diri na kinahanglanon sa ordinansa ig post sa
445. local general circulation newspaper, an kuan la sini, after 10 days, after approval ni Mayor,
446. may it approval diri sa Sangguniang Bayan, effective iton aton ordinansa. Adi ipa second
447. reading naton ini na kuan.

Mayor

448. **SEC. VILLOTE:** Kuhaon ta la iton nga part?

449. **HON ALLERA:** 10 days after approval nala. Effectivity clause... So, amu iton nga,
450. amu in inga kuan, after siton, kuanon ini ni Atching, ipasulod ini sa Session ba, thank you.
451. Kay para sit martes mahakadto na kan Mayor, maconvene ini nga KADA Network para
452. pag plano mayda mag depensa. Klarohon na an implementation sini. Effectivity Clause,
453. so 10 days after the approval of the Mayor, not necessarily approval sit Sanggunian kay
454. depende iton sit LCE pag pirma niya kuan na, after 10 days. Okay Thank you! May mga
455. pangutana pa?

456. **SEC. VILLOTE:** Okay, abre it aton kuan, any questions related sadton
457. presentation ni SB Member Allera? Waray? Part sit police? Didi kita Cham.

458. **HON. ALLERA:** Adto'n microphone ngadto.

459. **MR. COMILLAS:** May la po ako concern regarding sa atong creation and funding.
460. Regarding sa Local Youth Development Council and nakatikang, so far waray pa naton
461. budget for the LYDC but what we are utilizing is the Local Youth Development Fund under
462. the Office of the Mayor sa iya appropriation. Kay bangin po magbiling san fund san LYDC,
463. waray po kita budget.

464. **HON. ALLERA:** Amu an ak sering kanina nga diri kinahanglan sin appropriation
465. sit pagka adi sit pondo ngadto sa opisina sa Sangguniang Bayan. Kay pwede puyde man
466. magamitan an GAD nga amu it magamit. Depende nala sit Mayor, amu balitaw nga an
467. KADA Network, para makasabot it Mayor kun ano it panginahanglan, kay pwede liwat an
468. Local Youth nga kuan, pondo, adto sa iya, pwede gihapon niyo magamitan. Ngatanan nga
469. kuan san one percent nga kuan, para san implementation, diri pareho siton GAD nga diri
470. pwede mahibutang nga one percent sit whole budget signgon ta, kuan, twenty million deri
471. necessary nga ibutang. Nabudget la kita sin two hundred thousand kay it ngatanan nga
472. opisina, pati it office of the Mayor, pwede mugamit nga it purpose para sit GAD. Basta
473. after the year, an nagastos tanan san munisipyo, twenty percent, pira man la adto nga
474. five percent, san budget para san GAD. Ngadto siya san specific, so amu adto it Mayor
475. naton, dako it discretion niya kun hain siya kuha sin pondo. Pondo sa RHU, pondo sa
476. MSWD, Civil Registrar and other tubtub sit miyembro sit KADA nga Network.

477. **MR. COMILLAS:** Iba liwat ada it local, sa LGU kay specific talaga nga funding for
478. youth welfare is actually the youth welfare in the MSWD Office.

479. **HON. ALLERA:** Oo, Mayda gihapon. Pwede gihap iton pagkuhaan ni Mayor.

480. **MR. COMILLAS:** Another concern, we are talking about frontliners. Usually po it

481. mayda mga frontliners for this program, its not stipulated about the incentive sa frontliners.

482. **SEC. VILLOTE:** Ano nga section?

483. **MR. COMILLAS:** Frontliners.

484. **SEC. VILLOTE:** Section 4.

485. **MR. COMILLAS:** An ira representatives for KADA Centers. Incentives for the

486. frontliners, kun pwede nato sira malakip, kay considering an ira trabaho, and may ada

487. provision regarding complaints so, I think its good nga butangan og kuan, kay mayda kita

488. ig butang ngada nga tawo tapos waray man incentive or waray siya monetary nga

489. mareceive tapos, delikado pa gud siya, mayda pa gud anu nga...

490. **HON. ALLERA:** Aton ini ig pan raise sit aton staff, kaurugan man gud sit aton ig

491. tap mga empleyado la ngahaw. So, panigurado gud nga di matagan sin mga incentives

492. basta nga part san ira trabaho, diri pwede matagaan sin honorarium or incentives, diri kita

493. pwede maka state sa ordinansa kay it aton ig tap, an MSWDO kaurugan sit staff, labi na

494. iton kanan women, nga pag sering nga, ig detain nira... siton nga pag implement sin

495. kuan... So sa aton ngadto, kun mayda man mga, sa mga taga RHU, taga BHW, may plano

496. liwat naton nga ig apil si Doctora, Ngan ig pasa sa Sangguniang Bayan san Chairman sa

497. Committee on Health, tagaan gihap sin honorarium an mga BHW, not necessarily for this

498. ordinance, but parte liwat san ira, kay guti la liwat it ira nadawat sa barangay honorarium.

499. So, diri naton mahabutang dinhi iton provision sit honorarium, it aton ig butang sa pagka

500. adi, mga empleyado la ngahaw san aton mga agencies nga involve sini. Utrohon nakon,

501. diri pa kita makahatag kun an aton ig tap, mga empleyado nga it ira trabaho diri pwede

502. kita, mag ba kita, maOmbudsman kita kay diri dapat kita maka receive sin honorarium.

503. Ano pa?

504. **MR. COMILLAS:** Another question is in Chapter 3 KADA Network Facilities in the

505. Local Government Unit technically Adolescent Friendly Facilities in Every Barangay, so

506. KADA Center in every barangay of the municipality. Would it be within the barangay, by

507. so far bisan ngani an amon SK, waray ngani mga SK offices in the barangay. So, amu ito

508. an ak question kun how mandate...

gabala

Alber

509. **HON. ALLERA:** Iton nga pakutana, ah, nakaistorya kon man ini sira kanina, kun
510. anu ito pagpatuman, ngan di kita makapa implement sa, ada nap ag abot, hinay-hinay
511. hinay-hinay. So, nagkasabot na kami an taga DOH, an Doctor, ngan si Doctora, kay waray
512. pa man ngadi si Ruth, nga mag implement kita, by clustering, by district, may mga basis
513. man ngadi si Doctora. So, hinay-hinay nga an mga panginahanglan la anay, nga maupay
514. nga adto na kita didto, sa pag tikang, adi ngani baga adi in usa nga Nalibunan ada. Nga
515. pagtikang pa la. So, kun signgon ta example, didi sa Poblacion, Nalibunan, so, hinay-
516. hinay nga gin cluster naton an pag kada barangay. An Sto. Niño to Nalibunan, ada dida,
517. ngatanan nga kuan kay diri maka akos pa, san aton munisipyo, an aton mga taga... kay
518. usa gihapon nga point kay hinay-hinay, labi na kun maupay an dalagan, maupay an
519. implementation, bangin may ada pa si Mayor nga mag appropriate kita, paghimo sin
520. budget, appropriatan ta iton sin klaro, kay amu iton it dako gamit sit youth, kay amu it
521. dako, kay from time to time, nakig deal kamo sit youth, nag convene kamo, para mapasa
522. sin resolution, ig adopt sit Mayor kay siya man it Chairman, so, mag aro kami sit
523. panginahanglan, para it Mayor mag request sa Sangguniang Bayan kun kinahanglan na
524. gud sit Supplemental para pag support sini nga program. Kay kun diri pa kinahanglan,
525. damu pa it ma tap sit Mayor sit aton pag implement. Hinay-hinayon la naton ini kay tikadto
526. man kita siton nga kada barangay, actually, kaya na iton ni Doctora.

527. **MR. COMILLAS:** Mahitungod sini nga KADA Ordinance, the Local Youth and
528. Development Office, ako, as the Local Youth and Development Focal Person together
529. with our SK Federation President, we would like to express our strong support to this
530. ordinance. Considering that health, feasible access to health services... and rights and
531. the participation of the Sangguniang Kabataan.

532. **MS. GARRIDO:** On behalf han Leyte Family Development Organization, an NGO,
533. mayda la po usa nga ipuno dida sir san KADA. Nakalimutan naton an Local Council for
534. the Protection of Children, in all levels tikang ha barangay, municipal and province. Mayda
535. didto one percent of the IRA for the implementation of Local Council for the Protection of
536. Children, igdugang nala naton dida, but on the source of fund, for the... ano.

537. **SEC. VILLOTE:** Did you mean, will it be inserted to the... on the stand-up
538. committee or adi la kita sa appropriation? We will take notes of the corrections.

539. **MS. GARRIDO:** Appropriation. Under sa Appropriation sir.

Garrido

Villote

540. **SEC. VILLOTE:** Sa Appropriation.
541. **MS. GARRIDO:** We forgot to include iton source of fund from the Section 20.
542. Appropriations.
543. **SEC. VILLOTE:** Okay!
544. **HON. ALLERA:** Ig singit nala.
545. **SEC. VILLOTE:** Diin man naton ig sulod?
546. **HON. ALLERA:** Bisan hain, ig sumpay nala.
547. **MS. GARRIDO:** In all levels. Oo, dugangi nala naton.
548. **SEC. VILLOTE:** The funding and other resources necessary to implement the
549. provisions of this Ordinance may be sourced from the local government's annual Internal
550. Revenue Allotment.
551. **MS. GARRIDO:** Yes.
552. **SEC. VILLOTE:** the funds of the Local Youth Development Council; or Gender and
553. Development funds, provided requirements for use of these funds are satisfied.
554. **MS. GARRIDO:** And the local council for the protection of children. Which must
555. source from the IRA.
556. **SEC. VILLOTE:** So, kun ig insert naton iton... an total fund san kanan...
557. percentage an kanan local council for the protection of children... one percent?
558. **MS. GARRIDO:** Yes. One percent.
559. **SEC. VILLOTE:** Kay maaram ka it paggamit, we have to address sa Sanggunaing
560. Bayan it pag gamit sin pondo, need sin authority.
561. **MS. GARRIDO:** May ada iton law Sir, it is from... sa DILG. Memorandum Circular
562. for the...
563. **SEC. VILLOTE:** Siguro related iton karida sit question kan Sir Chamy.
564. **HON. ALLERA:** Actually, pwede naton iton ig butang or deri, kay total, pwede man
565. iton ma tap niyo.
566. **MS. GARRIDO:** Yes, Oo.
567. **HON. ALLERA:** Bisan diri na ada sa ordinansa.

586. **MS. GARRIDO:** Oo.
587. **HON. VALIDA:** Diri musinging nga, most likely one percent kay amu iton it iba nga
588. misconception iba nga mga barangay officials ngan iba nga mga tawo sa barangay, nga
589. mu insist sira nga hain ini nga one percent. Waray sira maka intindi nga iton nga gin tawag
590. nga one percent or GAD allotment diri one percent san entirety, kun mayda project nga
591. kun pwede siya maka... related...
592. **MS. GARRIDO:** masulod ha GAD. That could be a source. Kay mayda pa ngani
593. kita another source gihapon, iton five percent, one percent han senior citizen ngani, mayda

600. percent for, not necessarily nga ada iton sa balaud. Encouragement la iton san different
601. agencies, So, diri parehos san GAD, nga ada gud. An one percent, nga para senior
602. citizens, para san local nga children, encouragement la iton, gin mandate didto, an word
603. nga gingamit, gin mandate an ngatanan nga barangay local government unit san DBM,
604. COA ngan DILG nga mag budget sin one percent. Gin mandate kamo ha, not necessarily
605. nga tagaan sin pondo. Amu iton usahay nga it barangay hasta it munisipyo, nga it
606. barangay, since may senior citizens, mayda na nira one percent. Okay na adto nga one
607. percent, nahatag iton usahay. Nahatag ngani iton barangay sin pasahe nira ngadto sa kun
608. may meeting. So, amu iton nga one percent, diri kay, signgon nga higgitan, mga supplies
609. siton senior citizens sa barangay, mga supplies nira, nahatag na it barangay adi. Ada pa
610. gihap iton nga one percent, puru-pareho la iton supply, waray pa ngani ma organized iton
611. nga Local Children, pero kun maorganized na ngani iton, not necessarily nga mag
612. budget...pero obligado sira kay mag meeting sira siton COA, DILG ngan san DBM nga
613. maghatag sira atleast one percent san ira budget. Puro pala iton..... so dida it mga
614. barangay nalipat. Kay parehas ba sit barangay, bisan kita, kay pirmi nagpahinumdomon
615. it munisipyo, pwede pa gihapon iton ma tap, bisan diri iton nabudgetan. May mga
616. pangutana pa?

617. **MR. MARCOS:** Good Morning everyone, once again po, I'm Melmar Marcos from
618. the Provincial Health Office Leyte, actually this is not a question, I just want to add
619. something specifically for Section 12. And also I just want to ask Sir if my statements are
620. valid. It says that, for Adolescent Friendly Health Facilities. In addition to the standards set
621. out in this Ordinance, Adolescent Friendly Health Facilities (AFHFs) shall comply with
622. National Standards on Adolescent Friendly Health Facilities, and the AFHF Checklist. I
623. would like to add that these adolescent friendly facilities shall be certified by the Provincial
624. Health Office for minimum standard or for another requirement. And for that it would be
625. certified by the Department of Health Eastern Visayas Center for one development and
