Dear Vice Governor Carlo,

I hope this message finds you well. I'm delighted to have connected with you through the 50U OBC VSU Alumni Basketball Tournament Group Chat.

Currently, I serve as the President of DroneEntry (Thailand), a pioneering drone company headquartered at the Asian Institute of Technology (AIT) in Bangkok, Thailand. Our company is expanding operations across Southeast Asia and actively seeking strategic partnerships in various sectors, particularly in the Philippines.

I am particularly interested in the prospect of collaborating with the Provincial Government of Leyte on drone technology training, research and development, and extension services for the province. I believe such collaboration could be mutually beneficial and contribute significantly to the advancement of agriculture, disaster management, and related fields in Leyte.

I am planning to attend the VSU Centennial Celebration in April 2024 and would be honored to have the opportunity to present to the Leyte Provincial Government officials and interested Provincial Government Agencies during the week of April 29, 2024. Please suggest a suitable date for the meeting.

Thank you for your support and a favorable response to my request for a meeting and presentation.

Best regards,  
Donald

Dear Jill,

Thanks to VG Carlo for accommodating my request for a meeting and presentation on drone technology with the Leyte Provincial Government officials and interested Provincial Government Agencies.

At present, I am available for the meeting any day between 29 April and 3 May. I kindly request you to coordinate with VG Carlo and the concerned officials to confirm their preferred meeting date at the earliest convenience.

Thank you for your assistance in arranging this meeting.

Best regards,  
Donald
