COMMITTEE ON RULES, LAWS and PRIVILEGES

COMMITTEE REPORT

No. ____ S. 2024

Referred to this committee is Municipal Ordinance No. 2023-15 of the Municipality of Sta. Fe, Leyte entitled, "The Local Revenue Code of the Municipality of Santa Fe, Province of Leyte, series of 2023".

The subject ordinance was reviewed by the Provincial Legal Office and was endorsed back to the Sangguniang Panlalawigan with several observations and comments, hereto attached and made an integral part of this report. It opined that some provisions of the Ordinance shall be reviewed and may be subject for amendments as some of the provisions are contrary to existing policies and laws.

This Committee upon examination of the subject Ordinance finds the observation and comments of the Provincial Legal Office with merit and thereby adopts the same except for observation/comment No. 2 and 8, respectively.

As for observation No. 2 of the PLO, this Committee would like to note the Local Government Code authorizes the Local Government Units to adjust their tax rates, subject however to limitations set forth in Section 191 of the Code, which provides:

"Section 191. Authority of Local Government Units to Adjust Rates of Tax Ordinances. - Local government units shall have the authority to adjust the tax rates as prescribed herein not oftener than once every five (5) years, but in no case shall such adjustment exceed ten percent (10%) of the rates fixed under this Code." (Emphasis supplied)

Clearly, Section 191 of the Local Government Code allows the adjustment of the rates which may be higher than what the Code provides. It limits however, the amount of each adjustment and the frequency by which this authority may be exercised. Otherwise stated, Local Government Units can only adjust tax rates once every five (5) years and the amount of adjustment should not exceed ten percent (10%) of the rates fixed under the Local Government Code.

In view of the foregoing and considering the need for legal basis for the imposition of new tax rates, fees and charges, the Committee requests that a copy/copies of the previous local revenue measures or ordinances, be submitted, highlighting the specific provisions where adjustments were made.

For observation No. 8 of the PLO, the committee would like to note that pursuant to the Local Government Code of 1991, Section 143, (c), Local Government Units or the municipalities as the case herein, are granted with the authority to actually charge a local

8. That Article D imposes Tax on mining operations. The Provincial Legal Office is of the opinion that consultations be made with the DENR to insure that the imposition does not run contrary to any policy, rules or regulations of the said Department;
9. That Section 3A.4 of the ordinance aims to impose a Business Inspection fee of P200 for the services rendered by business permit and license inspectors. It is the opinion of this office that the cost for such services should be covered already by the business permit fee and not a separate inspection fee;
10. That Section 3B.4 of the ordinance cites Article 99 Section (a) subsection (3) Paragraph (v) of the rules and regulations implementing the Local Government Code of 1991. It should be noted that the provision pertains to a Sangguniang Panlungsod. Considering that Sta Fe is a municipality and not a city, this office recommends citing the appropriate provision applicable;
11. That Section 3N.1 of the ordinance imposes an annual inspection fee on internal combustion engines generators and other machines. On the other hand, Pursuant to DOLE DEPARTMENT ORDER NO. 15 ;

1182.02: inspection

1. The Regional Labor Office through its duly authorized representative shall conduct inspection of internal combustion engine accompanied by the representative of the owner and/or the supervising plant mechanical engineer for operation and maintenance and those who installed the internal combustion engine on the following phases of work:

- a. During the construction phase of the foundation and/or installation of the internal combustion engine;
- b. Before being placed into service after installation;
- c. Before being placed into service after modification; and
- d. Periodically at intervals not exceeding 12 months.

and other places of amusement at a rate of not more than thirty percent (30%) of the gross receipts from admission fees.	122
hence, it is the opinion of this office that such authority is reposed on the Provincial Government and thus Section 2A.2 (g) item number 2 should be reviewed as not to contradict the above-mentioned provision;	123 124 125
5. That Section 2A.2 (h) seeks to collect P 100 from peddlers annually, while the Local Government Code prescribes;	126 127
<i>Section 143. Tax on Business. - The municipality may impose taxes on the following businesses:</i>	128
<i>(g) On peddlers engaged in the sale of any merchandise or article of commerce, at a rate not exceeding Fifty pesos (P50.00) per peddler annually.</i>	129
Thus it is opined by this office that it should be amended to comply with the provision provided above;	130
6. That Section 2A.2 (i) of this ordinance imposes "Tax on operators of PUV" for maintaining Booking offices, terminals or waiting stations. The Provincial Legal office is of the opinion that pursuant to DILG Memo Circular 2012531, the tax base should be 2% of the total number of vehicles, without distinction as to the type of vehicles as provided below ;	131 132 133 134
ii. Tax on Operators of Public Utility Vehicles Taxing Authority : City /Municipality Maximum Tax Rate : 3% /2% Tax Base: : Number of vehicles Remarks : Transportation contractors can still be subject to the business tax if imposed on bases other than gross receipts, i.e. type of vehicle, number of vehicles, capacity, etc. This imposition is deemed valid on transport companies maintaining terminals or booking offices in the LGU concerned	135 136 137 138
7. That Section 2A.3 of the ordinance aims to implement the Presumptive Income Level to approximate the gross receipts of each business classification. The PLO is of the opinion that a specified and accurate methodology of the PIL be laid out for review to ensure its effectivity and fairness.	139 140 141 142 143 144 145 146

8. That Article D imposes Tax on mining operations. The Provincial Legal Office is of the opinion that consultations be made with the DENR to insure that the imposition does not run contrary to any policy, rules or regulations of the said Department;	151 152
9. That Section 3A.4 of the ordinance aims to impose a Business Inspection fee of P200 for the services rendered by business permit and license inspectors. It is the opinion of this office that the cost for such services should be covered already by the business permit fee and not a separate inspection fee;	153 154 155
10. That Section 3B.4 of the ordinance cites Article 99 Section (a) subsection (3) Paragraph (v) of the rules and regulations implementing the Local Government Code of 1991. It should be noted that the provision pertains to a Sangguniang Panlungsod. Considering that Sta Fe is a municipality and not a city, this office recommends citing the appropriate provision applicable;	156 157 158 159

1. The Regional Labor Office through its duly authorized representative shall conduct inspection of internal combustion engine accompanied by the representative of the owner and/or the supervising plant mechanical engineer for operation and maintenance and those who installed the internal combustion engine on the following phases of work:	164 165 166
a. During the construction phase of the foundation and/or installation of the Internal combustion engine;	167

d. Periodically at intervals not exceeding 12 months.	169
	170
	171
	172
	173
	174

Hence, this office opines that such fees and inspection be in collaboration with the appropriate office and authorities;

12. That Section 3W.5 and 3W.6 of the ordinance pertains to public auction of impounded vehicles and disposition of the proceeds thereof. It is the opinion of this office that a legal basis is necessary for such actions;
13. That Article G refers to rental fees on Mineral lands. Considering that the Province and the municipality already impose taxes and fees on the permit of mining operations, it is opined by this office that the imposition of rental fees on Mineral lands will tantamount to double taxation.
