

Republic of the Philippines
Province of Leyte
Office of Hon. Raissa J. Villasin

July 30, 2024

HON. LEONARDO M. JAVIER, JR.
Vice Governor
Province of Leyte

Dear Honorable Vice Governor:

Warm greetings!

Respectfully endorsing to your good office, the following resolutions from the Provincial Health Board and to request that these be included in our agenda:

- A RESOLUTION APPROVING THE ADOPTION AND IMPLEMENTATION OF THE PROVINCIAL HEALTH FACILITY DEVELOPMENT PLAN PURSUANT TO THE OBJECTIVE OF RA 11223, OTHERWISE KNOWN AS UNIVERSAL HEALTH CARE ACT, TO PROVIDE THE FILIPINOS ACCESS TO QUALITY HEALTH SERVICES;
- A RESOLUTION APPROVING THE LOCAL INVESTMENT PLAN FOR HEALTH (LIPH) 2023-2025 AND THE ADOPTION OF THE ANNUAL OPERATION PLAN (AOP) 2023 AS THE STRATEGIC AND INVESTMENT PLAN FOR HEALTH OF THE PROVINCE-WIDE HEALTH SYSTEM (PWHS) IN THE PROVINCE OF LEYTE;
- A RESOLUTION APPROVING THE ADOPTION OF THE 2024 ANNUAL OPERATION PLAN AS THE STRATEGIC AND INVESTMENT PLAN FOR HEALTH OF THE PROVINCE-WIDE HEALTH SYSTEMS (PWHS) IN THE PROVINCE OF LEYTE;
- AN ORDINANCE EXPANDING THE COMPOSITION OF THE PROVINCIAL HEALTH BOARD OF THE PROVINCE OF LEYTE, THE CREATION AND STRENGTHENING OF ITS SUPPORT UNIT AND FOR OTHER PURPOSES.

Thank you very much and Best Regards!

Very Truly Yours,

HON. RAISSA J. VILLASIN
Chairperson, Committee On Health

VIRTUALLY PRESENT:

RESOLUTION NO. 2024-___

A RESOLUTION APPROVING THE ADOPTION AND IMPLEMENTATION OF THE PROVINCIAL HEALTH FACILITY DEVELOPMENT PLAN PURSUANT TO THE OBJECTIVE OF REPUBLIC ACT NO. 11223, OTHERWISE KNOWN AS THE UNIVERSAL HEALTH CARE ACT, TO PROVIDE THE FILIPINOS ACCESS TO QUALITY HEALTH SERVICES.

WHEREAS, Section 6.4 of the Implementing Rules and Regulation (IRR) of the Universal Health Care of Republic Act No. 11223, the DOH and Local Government Units (LGU) shall endeavour to provide a health care delivery system that shall afford every Filipino a primary care provider, as defined in Section 4.26b. Primary Care Facility refers to the institution that primarily delivers primary care services which shall be licensed or registered by DOH;

WHEREAS, Section 6.6 of the IRR of the UHC Act or RA No. 11223, every Filipino shall register with a public or private primary care of choice with due consideration to proximity and ease of travel of those seeking care, absorptive capacity of the provider for quality care, and provider capability to deliver the required services, among others;

WHEREAS, pursuant to the national Objectives for Health Philippines 2017-2022 and the Philippine Health Facility Development Plan 2020-2040, establishment of Primary Care Facility is based on two (2) criteria: facility to population ratio (1:20,000) and accessibility within 30 minutes of travel;

WHEREAS, to fulfill the UHC goals in ensuring that only safe and quality primary care services are being delivered to every Filipino, Primary Care Facilities will be regulated and must comply with the licensing standards and requirements of AO 2020-0047;

WHEREAS, the Provincial Health Board (PHB) in its Resolution No. 3, resolved to adopt and implement the Provincial Health Facility Development Plan pursuant to the objective of Republic Act No. 11223, otherwise known as the Universal Health Care Act, to provide every Filipinos access to quality health services;

WHEREAS, it is important for this August Body to approve the adoption and implementation of the Provincial Health Facility Development Plan pursuant to the objective of Republic Act No. 11223, otherwise known as the Universal Health Care Act, to provide every Filipino access to quality health services.

NOW THEREFORE, on motion of Honorable _____, and duly seconded by Honorable _____, be it

RESOLVED to **approve**, as it is hereby **APPROVED** the adoption and implementation of the Provincial Health Facility Development Plan pursuant to the objective of Republic Act No. 11223, otherwise known as the Universal Health Care Act, to provide every Filipino access to quality health services.

Approved unanimously.

I HEREBY CERTIFY to the correctness of the foregoing resolution.

**Health Facility Development
For the
Province of Leyte**

Year 2023-2025

**Health Facility Development
For the
Province of Leyte
Year 2023-2025**

Mission

“To provide every Leyteños the highest possible quality of healthcare that is accessible, efficient, equitably distributed, adequately funded, fairly financed, and appropriately used by an informed and empowered public.”

Vision

A progressive Province of Leyte with empowered people, living in a sustainable environment with safer, adaptive and disaster-resilient communities and a developed agro-industry, anchored on entrepreneurship, a center and supplier of renewable energy, a leading information and Communication Technology (ICT) service provider, and a historic-cultural tourism zone.

V. IDENTIFICATION OF FINANCING SOURCE

Table 11. Financing Source

Source of Financing	Strategies
LGU revenue	MHO annual budget, GAD fund, 20% Development Fund, MDRRM Fund; On time collection of revenue from proper stakeholders; Broaden tax and non-tax base revenues to finance health infrastructures. Re-locate less efficient expenditures on health infrastructures especially in areas with <5% health expenditures; HFDP shall be included in Municipal Dev't Plan & Annual Investment Plan; Lobby increased budget allocation to health; Increase tax (Tolosa); Use of supplemental budget; Updating of User's Fee Ordinances (Tanauan); Increase LGU revenue through payments from certification, laboratory (Javier)
IRA and national share	Financing thru Implementation of Garcia-Mandanas Ruling; Enough share from IRA and national funds; Allocate higher IRA to finance health and health infrastructures in the medium to long term higher IRA share is expected because of the mandanas ruling; Lobby to the LCE thru LHB resolution; Health as a flagship program of the LGU
PhilHealth Income	Financing thru PhilHealth capitation (HCI-fund); Training and updating of encoders for PhilHealth Processing and enlistment of members by Health Workforce Team; Provinces and HUCs need to maximize PhilHealth income to finance health expenditures. Explore the possibility of using PhilHealth Income to finance MOOE and capital outlay. Re-starting of Birthing Facility and maximizing claims TB-DOTS center; Inclusion in Special Health Fund; Prioritize Philhealth eKonsulta accreditation and timely submission of liquidation; Increase PhilHealth claims and additional claims from ABTC; Use of iCliniSys; Monitor returned claims
Foreign Grant	GGP-Embassy of Japan Grant (equipment for the Palo One-stop Xray and Diagnostic Center);
Loans	Avail loans in the government banks; The Local government should explore loans from financial institutions
Grants from national government	Health Facility Enhancement Program of DOH, Trainings/Technical Assistance; Update plan for health in the municipality; PHFFDP national allocation framework; Ensure comprehensive plans to request grants from the National government; Health aid fund from office of the speaker and Tingog Partylist
NGOs/ others e.g. International Care Ministries (ICM)	Donation of food supplements, Livelihood Program, Trainings; Invite more NGO and other stakeholders to subsidize health program in the municipality; Linkages to NGOs; Ensure comprehensive plans to request grants from the NGOs; Prepare & submit project proposals
Others	Acquisition of Land by Barangay/ LGU or any proof of ownership (Deed of Donation)

VII. RECOMMENDATION

RECOMMENDATION
<ul style="list-style-type: none"> • Hire more additional trained medical health workforce. • Ensure a functional diagnostics laboratory needs, dental health facilities, and equipment for all medical health procedure and other health operation. • Allot sufficient budget for medicines and other emergency medical supplies with ideal pharmacy at RHU. • Prioritize budget for building new health care facilities and other infrastructures for BHS.
<ul style="list-style-type: none"> • Hire additional personnel. • Improve and sustain laboratory services. • Improve and sustain ABTC services. • Procure new additional equipment. • Drilling of water source at hospital area/Re-piping of water system of the entire hospital. • Replacement/rewiring/Improve electrical supply.
Standards for Emergency Response
<ul style="list-style-type: none"> • Local 911 Call Center Hotline ideally with a Geographic Information System • Rescue teams respond to the scene and facilitate transfer to the appropriate health facility within one hour. • At least one member per household in tourist destinations trained in BLS. • All boat men, travel guides, travel drivers, staff of commercial establishments who engage with clients, and other people as authorized by the LGU trained as first responders. • Barangay Health Workers trained in First Aid. • RHU nurses trained in First Aid and BLS and physicians trained in Basic Emergency Care. • Level 1 and 2 hospital physicians trained in Advanced Cardiac Life Support (ACLS) and Advanced Emergency Care. Hospital nurses trained in ACLS and Basic Life Support (BLS).
Standards for Health Facilities
<ul style="list-style-type: none"> • Compliance to DOH Administrative Order 2020-0016 or the Minimum Health Capacity Standards for COVID-19 Preparedness and Response Strategies, and Infection, Prevention and Control Standards in DOH Department Memorandum 2020-0268 or the Interim Guidelines on Health Facilities in the New Normal. • Established HCPN with functional referral network in the locality. • First aid kits available at all times in hospitals, RHUs, and Barangay Health Stations (BHS). • Availability of health emergency personnel and transport vehicles in all accommodation establishments to cater to the emergency needs of their client • Hospitals and RHUs with adequate supply of drugs, medicines, and supplies appropriate to the tourist destination's health concerns (e.g. specific antibiotics for destinations with certain infections, anti-venom for destinations with high cases of snake bites, etc).

ANNEX D. SIGNED MOA OF LEYTE PROVINCE & APEX HOSPITAL

Republic of the Philippines
PROVINCE OF LEYTE
Leyte Provincial Capitol Building,
Palo, Leyte

MEMORANDUM OF AGREEMENT

THE PROVINCIAL GOVERNMENT OF LEYTE, a group of primary to tertiary care providers with office address at **Government Center, Candahug, Palo, Leyte**, represented herein by its authorized representative, **Hon. Carlos Jericho L. Petilla, Governor**, and hereafter referred to as "**FIRST PARTY**";

-and-

EASTERN VISAYAS MEDICAL CENTER, a Level 3 hospital with office address at **BRGY. 93, Bagacay, Tacloban City**, represented herein by its authorized representative **Dr. Salvador B. Evardone**, and hereafter referred to as "**SECOND PARTY**";

This **AGREEMENT** is entered into and executed by and between:
WITNESSETH that:

WHEREAS, the Universal Health Care Act of 2019 provides that the health services delivery may be population-based or individual-based;

WHEREAS, Section V.E of Administrative Order (AO) 2020-0019 "*Guidelines on the Service Delivery Design of Health Care Provider networks*" mandates all health care provider networks (HCPN) to have primary to tertiary care providers with linkages to an apex hospital and other facilities providing specialized services needed by its catchment population;

WHEREAS, Section VI.D.1.e of the said AO requires HCPNs to enter into a Memorandum of Agreement with at least one apex hospital;

WHEREAS, Section II(B)(1) of Department of Memorandum (DM) 2020-0434 "*Updated Interim Guidelines on Health Care provider Network (HCPN) during the COVID-19 Pandemic*" mandates each province to establish province- and city-wide HCPNs from primary care to tertiary care, to include government and private facilities and providers;

WHEREAS, the **Second Party** has been designated by the Department of Health as an apex or end-referral hospital to provide specialized services that are not expected to be provided in HCPNs;

WHEREAS, the **First Party** is an HCPN that is compliant with AO 2020-0019 and wishes to link with the **Second Party** as its apex hospital;

NOW, THEREFORE, for and in consideration of the foregoing premises, the Parties agree as follows:

I. The Parties' Undertaking:

- A. **First Party**, as an HCPN, undertakes to ensure compliance with AO 2020-0019 and other pertinent issuances, such as, but not limited to the following requirements/obligations:

people shall have access to a primary care facility within thirty (30) minutes travel time and to a hospital within one (1) hour.

II. Common Provisions

- A. The Parties may, upon mutual consent, amend or modify this Agreement through an addendum signed by both parties, and which shall become an integral part hereof;
- B. Neither party may assign this Agreement nor any of its rights, interests and obligations hereunder without the other party's consent;
- C. The parties shall altogether ensure that the resources are used in accordance with the purpose/s for which they were allocated or provided;

III. Representations and Warranties

- A. The Parties represent and warrant that they possess all rights and have full power and authority necessary to enter into this Agreement and perform all of their obligations;
- B. Each Party's execution, delivery and performance of this Agreement does not conflict with any agreement, oral or written, to which it is a party or by which it is bound, nor violate any law or regulation of any court, governmental body, or administrative agency having jurisdiction over such Party;
- C. In performing their respective obligations under this Agreement, the Parties warrant compliance with all applicable legal and regulatory requirements.

IV. Effectivity and Termination

This Agreement shall enter into force upon signing of the parties, and shall continue to be in effect until terminated by either party with a 30-day advance written notice, without prejudice to an immediate termination on the following grounds:

- i. Failure of either party to maintain its capability as apex hospital or HCPN, as the case may be;
- ii. Breach of any of the provisions; or
- iii. Misrepresentation

Provided that, in no case shall any patient be prejudiced by such termination; *provided further*, that, obligations which are by nature shall continue after the termination of the agreement shall survive such termination.

V. Miscellaneous Provisions

- A. Processing of personal information shall made in accordance with the Data Privacy Act of 2012 at all times;
- B. The Parties shall act in good faith at all times in their performance of their respective obligations under this Agreement;

3

ACKNOWLEDGMENT

BEFORE ME, a Notary Public for and in the above jurisdiction, personally appeared the following persons exhibiting to me their identification Documents, the particulars of which are indicated beside their names:
