(Attendance hereto attached)

The Public Hearing was conducted by the Office of the Sangguniang Bayan spearheaded by the Office of the Vice Mayor thru Facebook Page and Posting in the public places. The Public Hearing was attended by the Punong Barangay during the monthly meeting of Liga Ng Mga Barangay and it was open at 9:35 in the morning with opening prayer led by SB Secretary Atty. Allan R. Castro and he is also the master of the ceremony.

Atty. Castro introduced Hon. Capanas as the authored of the following draft ordinances.

Hon. Resurreccion C. Capanas (Chairman of the Committee on Rules and Laws) read and explained all the provision of the said ordinances specifically the prohibited acts provided therein. He said that the following municipal ordinances is pursuant to Section 16 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, provides that:

"SEC. 16. General Welfare. - Every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare. Within their respective territorial jurisdictions, local government units shall ensure and support, among other things, the preservation and enrichment of culture, promote health and safety, enhance the right of the people to a balanced ecology, encourage and support the development of appropriate and self-reliant scientific and technological capabilities, improve public morals, enhance economic prosperity and social justice, promote full employment among their residents, maintain peace and order, and preserve the comfort and convenience of their inhabitants." (Emphasis supplied).

Hon. Capanas explained the provision of **Ordinance No. 23L24-063**. He said that this proposed ordinance is necessary to implement because statistics shows that one of the main causes of road accidents, bar fights, and petty and serious quarrels is attributed to liquor drinking.

There is a need to regulate drinking of alcoholic beverages in public places in the Municipality of Kananga to prevent irresponsible consumption which is known to cause unruly and aggressive behavior – a perfect recipe for trouble and accident.

Hon. Juanillo Angus asked if the party to be conducted in Barangay Covered court is included.

Hon. Capanas said that PUBLIC in this context refers to OUTDOOR SPACES such as roads, walkways, parks, or in a moving vehicle, drinking in bars, restaurants, stadiums, and other such establishments. The consumption of alcoholic drinks/beverages, liquors is allowed provided that it is done inside the house or any enclosed private property. He added that there is an exemption for drinking in barangay covered court only during fiesta celebration of the barangay including "vesperas", provided that there is a presence of police personnel, barangay tanods, and other peace and order officers of the barangay in the said area celebrating "vesperas" or "fiesta".

2. **Ordinance No. 23L24-064** – An Ordinance requiring business establishments and other places and spaces considered as high-risk in the Municipality of Kananga, Leyte to install Video Surveillance Cameras or Closed-Circuit Television (CCTV) and providing penalties for violations thereof and for other purposes.

Hon. Capanas said that in order to intensify the Municipality of Kananga's drive to deter, prevent, detect, and solve criminality, and to preserve video recording as evidence, this August Body deems it proper to require the use of CCTV systems in business establishments within. Under the law "requirement to install CCTV" means that a business establishment is legally obligated to set up and maintain a closed-circuit television (CCTV) system on their premises, typically used for security purposes to monitor activities and deter criminal behavior; this is often enforced through local ordinances that may specify the number of cameras needed depending on the type of business and its size. He added that local government shall enact ordinances requiring businesses to install CCTV systems, often as a condition for obtaining a business permit.

3. **Ordinance No. 23L24-065**- An Ordinance establishing guidelines on the Disposition and Allocation of Philhealth Konsultasyong Sulit at Tama Package Fund or the Philhealth Konsulta Package Fund of the Municipality of Kananga, Leyte.

Hon. Capanas said that for the implementation of this ordinance is pursuant to Philhealth Circular No. 2023-0013 entitled, "Implementing Guidelines for the Philhealth Konsultasyong Sulit at Tama (Philhealth Konsulta Package), the current Philhealth Konsulta package shall expand its benefit coverage to encompass other primary care services in preparation for Konsulta+. Philhealth Konsulta Package Providers (KPPs) shall also act as the chief facility among its affiliated facilities at the primary care level, responsible for patient navigation to ensure first-contact, continuing and comprehensive care for all persons who are either diagnosed or undiagnosed, presenting with any health concern. He added that this law is to help alleviate with the financial burden of the laboratory test fees of all kanangahanons.

4. **Ordinance No. 23L24-066**-An Ordinance prohibiting the sale, dispensing, distribution, reselling of any pharmaceutical products in Sari-sari Stores and other similar retail outlets within the territorial jurisdiction of the Municipality of Kananga, and providing penalties for violations thereof.

Hon. Capanas said that this ordinance is pursuant to Republic Act No. 8203, otherwise known as the Special Law on Counterfeit Drugs, also prohibits any person from manufacturing, selling, offering for sale, donating, distributing, trafficking, brokering, exporting, importing or possessing counterfeit drugs.

Hon. Elna Gabilan (Brgy. Chairman of Brgy. Montebello) asked regarding the pharmaceutical products donated by the governor. She asked if the barangay is allowed to dispense those products.

Hon. Capanas answered that dispensing those pharmaceutical products in the barangay must be assisted by the medical professional.

5. **Ordinance No. 23L24-067-** An Ordinance establishing the Municipal Epidemiology and Surveillance Unit (MESU) of Kananga, Leyte, providing its composition, duties and functions, appropriating funds therefor and for other purposes.

Hon. Capanas said that this ordinance is pursuant to Section 6 and 8 of Republic Act No. 11332 otherwise known as the "Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concerns Act" provides that the DOH and its local counterpart are mandated to implement the mandatory reporting of notifiable diseases and health events of public concern, and it shall ensure that the Epidemiology and Surveillance Units (ESUs) are established and functional in all levels of the DOH and its local counterparts, and in public and private health facilities and laboratories, as well as ports and airports in all provinces, cities and municipalities throughout the country. And also Republic Act. 3573 mandates individuals and health facilities to report communicable diseases to local and national health authorities to suppress and prevent widespread of the disease. Such mandate was also mentioned in the International Health Regulations of 2005 and DOH Administrative Order 2007-036. He added that this ordinance is enacted in response to the need of a Municipal Epidemiology and Surveillance Unit (MESU) under the Municipal Health Office of Kananga that will serve as a central point for data banking and response activities on health service delivery and disease surveillance system. He reiterated that all ordinances mandated barangays to support the implementation in barangay level.

The closing and final message was rendered by Municipal Vice Mayor Hon. Miguel Jorge P. Tan and public hearing formally ended at 12:10 PM.
