SANGGUNIANG PANLALAWIGAN

PREFATORY STAMENTS

Katuwang sa Diwa at Gawa para sa Masaganang Ani at Mataas na Kita (KADIWA) was launched and spearheaded by the Department of Agriculture (DA) in 2019 in collaboration with farmers and enterprises registered in the Sagip Saka Registry System for Basic Sector Agriculture (RSBSA) which seeks to empower the community by providing a direct and effective farm-to-consumer, food supply chain. The implementation of this program is reiterated by President Ferdinand Marcos, Jr. during his State of the Nation Address (SONA) citing "The KNP system has enabled the public to buy goods at cheaper rates and the farmers to sell their crops without having to worry about transportation cost."

The One Town, One Product (OTOP) is the priority stimulus program for Micro, Small and Medium - Scale Enterprises (MSMES), as government intervention to drive inclusive local economic growth. Thru the leadership of Department of Trade and Industry, OTOP enables localities and communities to determine, develop, support and promote products or services that are rooted in its local culture, community resources, creativity, connection and cooperative advantage.

The revival of the KADIWA food terminal shall be a big step towards providing for our citizens in depressed areas and, further sparking awareness, particularly, of which may spread towards the involvement of local farmers and large enterprises in production of these basic commodities.

In conformity with the foregoing information, the Local Government Unit of Villaba, Leyte, shall conduct the Kadiwa ng Pangulo (KNP) in the Municipality, **THUS**

Be it ordained, as the Sangguniang Bayan in regular session assembled hereby ordained, that:

Section 1. SHORT TITLE. – This legislative enactment shall be known as "The Kadiwa ng Pangulo (KNP) Ordinance of the Municipality of Villaba."

COMMITTEE REPORT No. 2, S-2025

SUBJECT:

Public Hearing on proposed " Ordinance Formulated to Institutionalized Katuwang sa Diwa at Gawa sa Masaganang Ani at Mataas n akita (KADIWA) ng Pangulo (KNP) in the Municipality of Villaba, Leyte"

FINDINGS AND RECOMMENDATION :

There had been a KADIWA established several years ago in this Municipality.

There is an existing building occupied by a cooperative organization which is not fully operational.

The invited persons to this Public Hearing together suggested that the MAO shall create a Technical Working Group that would be responsible for the initial operation of the KADIWA in the municipality.

Minutes of the Public Hearing conducted by the Committee of Laws and Rules on February 28, 2025 at the New SB Session Hall at 1:00 P.M. on the proposed Ordinance Formulated to Institutionalize Katuwang s Diwa at Gawa sa Masaganag Ani at Mataas n akita (KADIWA) ng Pangulo (KNP) in the Municipality of Villaba, Leyte”

NO MEMBERS PRESENT

This public hearing was originally scheduled at 9:00 a.m. on February 28, 2025, but due to the Exit Conference of the Commission on Audit (COA) with all the Department Heads of the LGU which was also held on the same day and time, the hearing was reset in the afternoon.

During the deliberation of this Ordinance, The Local Finance Committee showed concern about how the KADIWA would start and continue to operate. The chair voiced his belief that since this program is under the control of the MAO and there is the farmers Federation behind him, the operation of the KADIWA is not a problem. On this score, the HRMO Head manifested that in reference to the KADIWA Center, there is an existing building occupied by the cooperative organization which is not fully operational. This can be utilized for the purpose. The other members of the group corroborated the statement of the HRM Officer as they also mention that there had been a KADIWA established several years ago in the municipality, so the idea about this is not new. The chair added that, at any rate, the Ordinance is providing guidelines on the management thereof.
