Subject: Endorsement of "DAYON" Dance Group for Financial Assistance for International Competition

Dear Vice Governor Javier,

Warm greetings from the Sangguniang Kabataan Provincial Federation Office of the Province of Leyte!

On behalf of the SK Provincial Federation, I am pleased to formally endorse the young and talented dance group from Leyte known as "DAYON." Composed of nine (9) members aged 8 to 13 years old, this exceptional group represents the vibrant spirit and creativity of the Leyteño youth.

These young dancers come from the municipalities of Dulag, Mayorga, Dagami, and the city of Tacloban, and are currently under the mentorship of their coaches Kenneth Garcia Maraya and Dan Franzer Sablad. With their outstanding skills and dedication, they have qualified to compete in the prestigious World Supremacy Battlegrounds — an international dance competition to be held in Dubai, United Arab Emirates, from July 10 to 13, 2025.

As they prepare to represent our province and the country on the global stage, the group is seeking financial assistance from the Provincial Government of Leyte to help defray the necessary expenses for their participation, including travel, accommodation, and other logistical needs.

In light of this, I respectfully endorse their request for support and appeal for the province's assistance in making this opportunity possible for these talented young individuals. Your support will not only bring pride to the province of Leyte but also serve as a testament to our commitment to empowering the youth through arts, culture, and international exposure.

Thank you very much for your unwavering support for the youth of Leyte. We trust in your favorable response.

Respectfully yours,

HON. MJ LUNLY D. LUMEN

President, Provincial SK Federation
Province of Leyte

Dear Hon. Lumen,

Warmest greetings from the **Dayon Junior Team**—a passionate group of young dancers aged 8 to 13, proudly representing the province of Leyte, and now, the entire Philippines.

We would first like to express our deep appreciation for your leadership and advocacy for the youth of Leyte. Your dedication to empowering young people across the province truly inspires us.

We are honored to share that our team has officially qualified to represent the Philippines at the **World Supremacy Battlegrounds Finals in Dubai**, happening this **July 10–13, 2025**. This marks a historic milestone as we are **the first-ever Junior Dance Team from Leyte and the entire Visayas** to earn a spot on this prestigious global stage.

Our journey began with the **Philippine Hip Hop Dance Championship 2024**, where we rose from 6th in the semi-finals to 4th overall in the national finals. Despite qualifying for the World Hip Hop Dance Championship in the U.S., we were unable to compete due to financial constraints. Refusing to give up, we trained even harder and later won the **World Supremacy Battlegrounds Manila Leg**, earning our rightful place in the world finals.

We are now humbly seeking the support of the Provincial SK Federation to help us raise funds for our trip. Our delegation includes nine junior dancers from Leyte, along with our coach and manager. The expenses we need to cover include plane tickets, passports, visa fees, accommodations, meals, and uniforms—with airfare being our top priority for early booking and better rates.

With your support, we are determined to showcase the heart, spirit, and excellence of young Leyteños. Any assistance or endorsement from the SK Federation will mean the world to us.
