**MEMBERS OF THE SANGGUNIANG PANLALAWIGAN  
PROVINCE OF LEYTE**

*Leyte Provincial Government Complex, West Bypass Road, Brgy. Guindapunan, 6501 Municipality of Palo, Province of Leyte*

Thru: **SECRETARY OF THE OFFICE OF THE SANGGUNIANG  
PANLALAWIGAN**  
*Province of Leyte*

Subject: **Letter of Intent to be a Service Provider for Septage and Sanitation Management in the Province of Leyte and Expression of Support and Offer of Technical Assistance and Services for the Province-Wide Septage Management Program of Leyte.**

Dear Governor Petilla,

I hope this message finds you well.

We respectfully write to express our sincere intent to be considered as a **service provider** for the **septage and sanitation management programs** of the **Province of Leyte**, including its component cities and municipalities. In the same spirit, we also offer our **technical assistance and support** for the formulation or enhancement of policies, ordinances, and operational frameworks that aim to strengthen the province's environmental protection and public health initiatives.

For more than two decades, **Soliman E.C. Septic Tank Disposal Services** has actively provided **comprehensive environmental and sanitation services**, particularly in the areas of **domestic and hazardous waste desludging, septage collection, treatment, and disposal**. We currently operate in partnership with various LGUs in **Region III**, delivering **full-cycle septage programs** that include **public information campaigns, mandatory and regular siphoning schedules, and monitoring and reporting mechanisms**, all in full compliance with **Republic Act No. 9275 (Clean Water Act of 2004), DILG Memorandum Circular No. 2019-62**, and other applicable national and local regulations.

Our programs are designed to uphold the principles of **institutional coordination, operational transparency, environmental safety, and community engagement**. Through our engagements with multiple LGUs, we have witnessed the transformative impact of well-implemented sanitation programs, especially when anchored on clear local policies and responsive service delivery models.

**DENR ECC NO. R03-05052017-4094**

In light of this, we respectfully offer our organization's experience and technical capacity should the Sangguniang Panlalawigan consider revisiting or adopting a provincial septage management ordinance, or should there be any initiative to implement or strengthen a province-wide or municipality-specific septage program. We likewise humbly propose our services as a potential service provider in support of these goals, subject to all applicable permitting, accreditation, and procurement requirements.

We further wish to express our willingness to participate in any consultative meetings, committee hearings, or technical working groups which may be convened to discuss matters relating to septage management, environmental sanitation, or service provider standards. We are confident that a collaborative approach involving the Provincial Government, LGUs, PENRO, MENROs, and relevant stakeholders will lead to effective, inclusive, and sustainable program implementation.

Additionally, we respectfully suggest that the adoption of clear accreditation criteria and service provider guidelines may assist all LGUs within Leyte in implementing consistent and compliant sanitation programs. This would not only promote efficient service delivery but would also contribute to raising awareness, strengthening enforcement, and ensuring long-term public health benefits across the province.

We sincerely hope to be considered as your partner in this endeavor and would welcome the opportunity to present our credentials and service portfolio at your convenience.

Should you have any further concerns or clarifications, you may reach our paralegal Mr. Charles Henson Mercado in Tacloban Branch office at 09985511730 or at [charlesmercado.solimanec@gmail.com](mailto:charlesmercado.solimanec@gmail.com). Thank you very much for your kind attention and consideration.

With highest respect and commitment to responsible environmental service, we remain.

Sincerely,

**EPITACIO C. SOLIMAN JR.**
