**COMMITTEE ON WAYS AND MEANS**  
COMMITTEE REPORT No. 15 series of 2025

Referred to this Committee is a letter from the Provincial Governor, Carlos Jericho L. Petilla, requesting the August Body for the amendment of Provincial Ordinance No. 2024-01, entitled "An Ordinance Levying Fees and Charges for the Use of Facilities and Equipment Owned by the Provincial Government of Leyte, Series of 2024."

The proposed amendment seeks to insert Sub-section 8.1 under Section 8 of the ordinance, which shall authorize the grant of a three percent (3%) discount on payments made through the Provincial Government's Online Payment System, integrated in the eBooking System. The objective of this proposed insertion is to encourage greater utilization of digital payment platforms, enhance operational efficiency, promote ease of doing business, and foster broader adoption of online government services.

Upon due deliberation, the Committee finds that the proposed amendment is reasonable, practical, and consistent with the policy of the Provincial Government to modernize administrative systems and enhance the delivery of public services. The adoption of a digital incentive mechanism is viewed as a progressive measure to transition constituents toward the use of secure, convenient, and efficient online platforms, thereby reducing dependence on manual processes.

Hence, the Committee recommends the approval of the proposed amendment.
