COMMITTEE ON RULES, LAWS and PRIVILEGES
COMMITTEE REPORT
No. 1 S. 2026

Date: February 20, 2026

RE: Proposed Municipal Ordinance No. 2025-011
“Carigara Legislative Oversight and Accountability Ordinance of 2025”

Prepared by: Committee on Rules, Laws and Privileges
Chairperson: Atty. Ronnan Christian “Bolingling Reposar
Vice-Chairperson: Atty. Carlo P. Loreto
Members: Hon. Wilson Uy, Hon. Michael L. Cari and Hon. Ma.
Martina L. Gimenez

I. BACKGROUND

The proposed ordinance seeks to institutionalize legislative oversight and accountability mechanisms in Carigara, Leyte. It emphasizes fiscal discipline, transparency, and participatory governance, aligning with the Local Government Code of 1991 (RA 7160), RA 6713, and RA 3019.

While the objectives are laudable, the Committee recognizes the need to ensure that oversight powers do not encroach upon the executive functions vested in the Municipal Mayor under RA 7160.

II. FINDINGS

Upon review, the Committee finds that certain provisions of the ordinance, though well-intentioned, may inadvertently extend legislative authority into areas traditionally reserved for the executive. These include:

- On-Site Inspections and Monitoring – While oversight is legitimate, direct involvement in operational monitoring could be construed as administrative supervision.
- Mandatory Appearances of Department Heads – Frequent summons of executive officials may interfere with the efficient management of day-to-day operations.
- Budgetary Adjustments – Strict limitations on supplemental budgets and augmentation procedures may reduce the executive’s flexibility in responding to urgent financial needs.

These provisions, if not carefully worded, risk transforming oversight into operational control, thereby upsetting the balance of powers envisioned under RA 7160.

III. RECOMMENDATION

To safeguard the integrity of both legislative and executive functions, the Committee recommends the following general amendments:

- Clarify Oversight Boundaries – Insert language affirming that oversight shall not extend to administrative supervision or operational control, which remain the prerogative of the Municipal Mayor.
- Define Inspection Purpose – Specify that inspections are fact-finding only, intended to inform legislative review and policy-making, not to direct implementation.
- Regulate Appearances – Ensure that requests for executive officials to appear are limited to matters directly related to legislative oversight and coursed through the Mayor as a matter of courtesy.
- Maintain Executive Flexibility – Provide mechanisms for expedited legislative action on supplemental budgets in cases of urgent financial need.

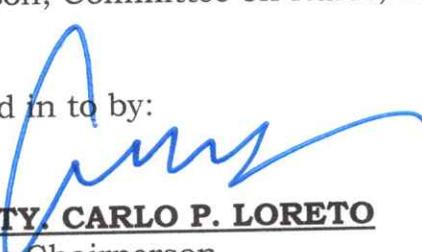

Conclusion

The Committee supports the spirit and intent of the ordinance, recognizing its potential to strengthen transparency and accountability in local governance. However, amendments are necessary to prevent legislative overreach into executive functions. By adopting the recommended safeguards, the ordinance will achieve its objectives while preserving the proper balance of powers between the legislative and executive branches of the municipal government.

“AN ORDINANCE INSTITUTIONALIZING THE LEGISLATIVE OVERSIGHT AND ACCOUNTABILITY MECHANISM OF THE SANGGUNIANG BAYAN IN THE MUNICIPALITY OF CARIGARA, LEYTE...”

Statement of Necessity

While existing laws, notably the Local Government Code of 1991 (RA 7160), already established fundamental principles of accountability, there is a recognized need to institutionalize and strengthen specific, actionable mechanisms within our local jurisdiction. The recent national challenges underscore the heightened need for prudent fiscal management, responsive project implementation, and unwavering public trust.

This Ordinance is necessary to address the following objectives:

- *To promote Fiscal Discipline:* By requiring regular, detailed and verifiable reporting on the status of the Annual Investment Program (AIP) and budget utilization, the Ordinance seeks to prevent mismanagement and ensure that every peso spent delivers tangible results to the people of Carigara.
- *To Enhance Transparency:* By mandating the easy, public accessibility of legislative records, financial reports and project monitoring updates, we eliminate potential for speculation, foster an informed citizenry, and uphold the integrity of the Local Government Unit of Carigara.
- *To Strengthen Oversight Efficiency:* By formally defining the investigative and monitoring powers of the Sangguniang Bayan’s Committees, this Ordinance empowers the legislative body to move from passive approval to proactive initiatives and timely intervention.
- *To Foster Participatory Governance:* The mechanisms established

herein, particularly those related to public disclosure and committee inquiry, invite accountability and a shared responsibility.

Legal Basis

The Sangguniang Bayan, as the legislative body of a municipality, is already vested with inherent oversight and accountability functions derived from the general welfare clause and specific provisions of the Local Government Code of the Philippines. And as such, this Ordinance is well within the powers of the Sangguniang Bayan. However, the current application of these oversight functions even if it is explicitly provided by law can be uneven, discretionary, or constrained by factors such as political dynamics, limited technical capacity, or lack of standardized procedures. Only by institutionalizing this function moves it from an *ad hoc* or implicit authority to a formal, systematic and standardized process.

Summation

In essence, this proposed Ordinance seeks to transform accountability from a general ideal into a structured, systematic and mandatory practice within the Municipality of Carigara, Leyte. Its enactment will serve as a clear declaration of the Sangguniang Bayan’s commitment to clean, responsive, and people-centered governance, that, which will ensure continuity, effectiveness and impartiality regardless of changes in local administration or political composition.

And thus, it is the author’s prayer that the members of the Sangguniang Bayan and the Local Chief Executive of Carigara share the same heart, depth,

Municipality shall require prior authorization and confirmation by the Sangguniang Bayan.

The requirement shall cover:

- a. Procurement contracts for goods, infrastructure projects, and services, regardless of amount;
- b. Memoranda of Agreement (MOAs) and other legal instruments that obligate the Municipality, regardless of value.

The Sangguniang Bayan shall ensure that:

1. The contract is consistent with the appropriations authorized in the Annual or Supplemental Budget;
2. The contract complies with COA rules and other relevant laws, specifically Section 37 of RA 9184 which provides that the contract must be executed within ten (10) calendar days after the Notice of Award;

The Sangguniang Bayan has the legislative concern on the substance and funding of the contract, which is a condition precedent for the contract's execution. However, the Sangguniang Bayan has no direct legislative concern over the technical procedures of the Bids and Awards Committee (BAC). The BAC is an administrative body that falls under the Executive Branch and is guided by another national law (RA 9184).

In the simplest terms, the legislative body’s role is to authorize the money and then authorize the action before the local government unit is legally bound by the contract.

3. The contract promotes transparency, accountability, and the best interest of the Municipality.

Exemption: A separate prior authorization is no longer required if the specific projects, programs or activities are covered in **sufficient detail** or **sufficient specificity** in the submitted budget plan. The appropriation ordinance passed by the Sangguniang Bayan approving the said budget is the local chief executive’s authority to sign the contract implementing the project, plan or activity.

Sufficient Detail or *Sufficient Specificity* means that projects, programs or activities in the budget plan are described in specific detail and definite terms.

To illustrate:

Table 1. Sufficiently Specific Budget Plan

Program/Project/Activity (PPA)	Specific Activity Description	Amount
Concreting of Access Road from Brgy. Barayong-Lower Hiraan, Carigara, Leyte	Construction of a two-lane Portland cement concrete pavement (PCCP)	Php10,492,108.98

In essence, *GR No. 175527, December 8, 2008*, the Supreme Court clarified that prior authorization required by the Sanggunian can be construed as already embedded in the appropriation and budget plan ordinance when it is **sufficiently specific**, such that, all that the local chief executive needs to do after undergoing the requisite public bidding is to execute the contract.

Thus, only an appropriation and budget ordinance is deemed as a sufficient authority for the Municipal Mayor to sign the contract after a successful bidding when the key components such as (1) the major undertaking, (2) the specific actionable work to be funded, (3) related incidental works, and (4) measurable deliverable or result that uses a numerical tracking for accuracy of the computation and its carrying value are already expressed in detail.

On the other hand, pursuant to the same Supreme Court decision, a project merely couched in **general or generic terms**, will require and necessitate a separate authorization from the Sangguniang Bayan.

The legislative intent to authorize the specific contract is not manifested in an Appropriation and Budget Plan Ordinance describing a project, program or plan in broad and generic terms. Therefore, the Municipal Mayor must secure a **separate and specific Resolution** from the Sangguniang Bayan to validate the contract and ensure its legality under the principle of **sufficient authorization** as required by law.

In such case, the Sangguniang Bayan shall act on the contract in the next schedule of session or in a special session upon receipt of the request for authorization and relevant documents, such as:

Ordinances approved by the Sangguniang Bayan.

Pursuant to Chapter III, Article I, Section 25 of PD 477, changes in the annual budget may be made within the fiscal year by way of a supplemental budget which shall be enacted in the manner as the annual budget. Whenever, any change is made in the annual budget, the supplemental budget ordinance must clearly indicate the various items of appropriations affected and the reasons for the change.

For the passage of a supplemental budget ordinance, there must be evidence of a potential shortfall in the original budget or there is a new, unforeseen, urgent financial need. The request for a supplemental budget must be supported by actual or newly certified available funds from unappropriated balances, new revenues or savings from other items or from an approved annual budget which remains unobligated, shall be reverted to the General Fund. The Local Finance Committee must certify, under oath, the sources of funds and the items affected to support the supplemental budget appropriation.

(6) Authority to Augment the Annual Budget

Pursuant to Section 336 of RA 7160, funds shall only be available exclusively for the specific purpose for which they have been appropriated. No ordinance shall be passed authorizing any transfer of appropriations from one item to another, except when the local executive or the presiding officer of the sanggunian concerned, may, by an ordinance, be authorized to augment an item in the approved annual budget for their respective offices, coming from savings in other items

within the same expense class.

Savings can only be used to augment (add to, or increase) an existing item in the approved annual budget that is determined to be deficient. The funds cannot be used to create a completely new project or item that was not in the original budget. Funds cannot be moved between classes, example, funds from Personnel Services (salaries) savings cannot be used to augment Maintenance and Other Operating Expenses (MOOE), and vice versa.

(7) Appearing before the Sangguniang Bayan’s Session or Committee Hearing

The Sangguniang’s power to legislate is generally understood to include the inherent power to conduct inquiries in aid of legislation. This means the Sangguniang Bayan can conduct inquiries on matters that will help them enact relevant and effective ordinances and resolutions by getting information for a genuine legislative purpose. The Sangguniang Bayan may request the presence of department heads or employees especially those receiving appropriated funds to appear before the Sangguniang Bayan through the local chief executive as a matter of inter-branch courtesy.

This includes:

- a. Appearing before the Sangguniang Bayan or its Committees when officially invited;
- b. Providing accurate, complete and timely official documents, data and reports, as requested;

(8) On-site Inspections and Monitoring

The Sangguniang Bayan can conduct on-site inspections as this is generally considered a necessary and proper component of the Sangguniang Bayan’s duties, especially in the context of:

- (a) Oversight and Accountability. by monitoring the implementation of programs and projects that were approved by the body, such as infrastructure projects or local services. This is to ensure transparency and accountability in local governance. This duty often necessitates checking if projects are being executed according to the approved plans and ordinances.
- (b) Budgetary Oversight. The Sangguniang Bayan is responsible for appropriating funds (approving the municipal budget). To ensure that funds are used for the specific programs, projects and services for which they were appropriated, the legislative body must have the power to monitor the implementation of these projects and an on-site inspection is a direct way to verify the physical progress and fund utilization.
- (c) In aid of legislation. The Sangguniang Bayan can conduct legislative inquiries to gather information needed for creating, amending, or reviewing ordinances and resolutions. The committee involved, or the entire Sangguniang Bayan, may decide to conduct an on-site inspection to gather facts and see the situation firsthand before passing a relevant ordinance.

(d) Enacting Regulatory Ordinances. The Sangguniang Bayan is responsible for enacting ordinances that regulate various aspects of community life, which inherently grants the power to monitor compliance. This may include, but is not limited to:

- i. Building permits and zoning – While the Municipal Engineer’s Office conducts the primary inspection for permits, the Sangguniang Bayan has the authority to oversee and monitor the implementation of the ordinances it passed on these matters.
- ii. Sanitation and environment – Ordinances on waste management or environmental protection require monitoring to ensure compliance by residents and businesses.
- iii. Business regulation – Ordinances authorizing the issuance of permits and licenses, which may necessitate monitoring for compliance with a set of conditions.
- iv. Others, as may be deemed necessary in enacting regulatory ordinances.

In essence, while the executive branch is responsible for the day-to-day hands-on, on-site inspection and enforcement, the Sangguniang Bayan holds the authority for legislating the rules and monitoring the

compliance and effectiveness of the executive’s actions.

SECTION 8. Issuance of Recommendations

Following an oversight activity, the relevant Committee shall draft a Committee Report that shall include:

- a. Findings of Fact and Conclusion;
- b. Legislative Recommendation, such as an Amendment or Repealing of an ordinance or recall of a resolution.
- c. Executive Recommendation such as administrative reforms or disciplinary action.

Any official or employee of the local government unit of Carigara who, without justifiable cause, fails or refuses to comply with the mandatory provisions of this ordinance, or have provided false information shall be accountable for the willful obstruction of a legislative inquiry, thus, shall without prejudice against administrative, civil, or criminal liabilities under existing laws, be sanctioned as follows:

1. Failure to Submit Reports

The failure to submit the required reports to the Sangguniang Bayan as mandated in Section 346 and Section 316 (h) of RA7160 is a clear breach of a statutory duty. Therefore, the Sangguniang Bayan may:
