Resolution No. 1, s. 2026

A RESOLUTION EXPRESSING STRONG OPPOSITION TO THE PLANNED MINING AND DREDGING OPERATIONS IN MACARTHUR, LEYTE AND DEMANDING THE IMMEDIATE HALT OF SAID ACTIVITIES TO PROTECT WATER RESOURCES, IRRIGATION SYSTEMS, FARMLANDS AND COMMUNITY LIVELIHOOD.

Whereas, the LIDAROIMMA Irrigators' Association, Inc. is mandated to safeguard the irrigation facilities under Balire South River Irrigation System, interests of its member-farmers, particularly the sustainability of irrigation water, agricultural productivity and environmental integrity within the service area;

Whereas, there is a planned mining and dredging operation in MacArthur, Leyte, including the presence and intended operation of large dredging vessel currently docked in Brgy. Maya, MacArthur, Leyte, which has caused serious concern among members of the Association;

Whereas, mining and dredging activities pose serious and irreversible environmental, agricultural, and social risks, including but not limited to water pollution, siltation, altered natural waterflow, flooding risks and long-term environmental degradation;

Whereas, the Association's water resources, particularly Lake Bito, serve as a vital source of water irrigation, daily household use and the local ecosystem, any contamination or disruption will gravely affect farmer's livelihoods and food security;

Whereas, the irrigation systems relied upon by farmers are highly vulnerable to pollution and operational disruptions caused by mining and dredging activities;

Whereas, once environmental damage occurs, such impacts cannot be easily reversed, placing at risk not only present farmers but also fisherfolks and future generations;

NOW, THEREFORE, on motion duly made and seconded, BE IT RESOLVED, as it hereby resolved by the Board of Trustees of the LIDAROIMMA Irrigators' Association, Inc., that:

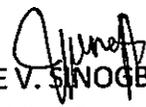

1. The association **STRONGLY OPPOSES** the planned mining and dredging operations in MacArthur, Leyte especially that the damaged irrigation canal was not been fully restored and drainage canals was not properly desilted;
2. The association **DEMANDS THE IMMEDIATE HALT** of all mining and dredging activities within the area;

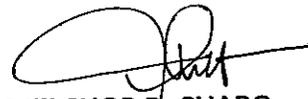

3. The association CALLS FOR THE REMOVAL AND WITHDRAWAL of the dredging machine/vessel currently docked and ready to operate anytime;
4. The association **URGES CONCERNED GOVERNMENT AUTHORITIES**, particularly the **NIA, DENR, MGB, EMB, DAR, DA, BARANGAY AND LOCAL GOVERNMENT UNITS** and other relevant agencies, to give due consideration to the collective voice of the farming community and to prioritize the protection of land, water resources, irrigation systems, livelihoods;

RESOLVED FURTHER, the copies of this Resolution be furnished to: NIA Administrator, NIA Regional Manager, NIA BLNLS IMO Manager, NIA BHHD-BIG-DG Satellite Office, DENR Regional Executive Director, MGB Regional Director, EMB Regional Director, DAR Regional Director, DA Regional Executive Director, MacArthur Municipal Mayor and Barangay Chairmans of Maya, Romualdez, Liwayway, Villa Imelda and Danao;
