WHEREAS, Section 447(a)(5)(vii) of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, authorizes the Sangguniang Bayan to regulate traffic on municipal and barangay roads, prohibit encroachments or obstacles thereon, and order the removal of illegal structures in public places in the interest of public safety;

WHEREAS, speed humps and similar road protuberances are traffic-calming devices intended to reduce vehicular speed and protect pedestrians when properly planned, designed, and installed;

WHEREAS, several speed humps and road protuberances within the Municipality were constructed without proper authority, technical evaluation, or compliance with engineering standards, posing safety hazards to motorists, pedestrians, and emergency responders;

WHEREAS, Department of Public Works and Highways Department Order No. 73, Series of 2014, expressly prohibits the installation of speed humps and similar structures along national highways;

WHEREAS, there is a need to strictly regulate, standardize, and control the installation of speed humps and road protuberances on municipal and barangay roads only, consistent with national policies and local development and traffic plans;

NOW, THEREFORE, be it ordained by the Sangguniang Bayan of Carigara, Leyte, in session assembled, that:

SECTION 1. TITLE.

This Ordinance shall be known as the “Speed Humps and Road Protuberance Regulation Ordinance of the Municipality of Carigara, Leyte.”

SECTION 2. DECLARATION OF POLICY.

It is the declared policy of the Municipality of Carigara to ensure that the installation of speed humps and similar road structures is lawful, necessary, technically sound, and safe, and consistent with approved land use, road classification, and traffic management plans.

SECTION 3. DEFINITION OF TERMS.

For purposes of this Ordinance:

- a. Speed Hump / Road Protuberance – any raised structure constructed across a roadway to reduce vehicular speed.
- b. Affected Residents- refer to individuals or households who reside along, adjacent to, or within the immediate vicinity of a public road or street where a speed hump, road protuberance, or similar traffic-calming structure is proposed or installed, and who may be directly impacted by its construction, presence, or use.
- c. Municipal Engineering Office (MEO) – the office primarily responsible for the technical evaluation, approval, inspection, alteration, or removal of speed humps.

Length: 12 feet to 22 feet.

An advance warning sign before and after each hump or the first hump or humps in series shall also be installed. It is required that the humps to be painted with yellow markings for visibility.

B. Location Restrictions

Speed humps SHALL NOT be installed:

- a. On national highways, pursuant to DPWH Department Order No. 73, Series of 2014;
- b. On any street designated as a truck route or transit route;
- c. On roads where, in the judgment of the MEO and MTMB, there is inadequate vertical or horizontal alignment or insufficient sight distance for safe installation;
- d. On primary access routes for emergency vehicles where, in the judgment of the MEO, MPDO, and MTMB, the installation would cause unacceptable delay in emergency response time;
- e. On main municipal roads.

C. Permitted Locations

Speed humps may be allowed only on municipal, barangay, and provincial roads located along:

- a. School zones;
- b. Hospital or health facility zones;
- c. Entry and exit points of public or private institutions;
- d. Highly hazardous, accident-prone, or thickly populated residential areas;

4.4 Clearance for Existing Humps.

All existing speed humps shall be subject to inspection by the MEO within
sixty (60) days from the effectivity of this Ordinance. Non-conforming
structures shall be altered or removed at the expense of the proponent.

4.5 Requests by Public Officials or Personalities.

Requests made by public officials or personalities shall be subject to the
same requirements and standards, without exception.

SECTION 5. PENALTIES.

Any person, entity, or organization that violates any provision of this
Ordinance shall be:

- a. Immediately ordered to remove or demolish the illegal speed hump or
road protuberance within fifteen (15) days from notice, regardless of
offense number;
- b. Failure to comply with the removal order shall result in a fine of Two
Thousand Five Hundred Pesos (₱2,500.00); and
- c. If the violator still fails to remove the illegal structure within the
prescribed period, the Municipal Engineering Office shall cause its
alteration or removal, and all expenses incurred shall be charged to and
collected from the violator.
