It shall prescribe the grand strategy to be undertaken by the personnel of this office on prevention measures to eliminate, suppress and minimize if not totally eradicate the illegal drugs in this municipality and to maintain the status of Calubian, Leyte as drug cleared municipality.

III. SITUATIONS:

The campaign against illegal drugs in the municipality of Calubian, Leyte still remain as our top priority and this office sustain its operation through buy-bust operation and application of search warrant to suspected illegal drugs personalities. The presence of illegal drugs has caused serious damage to our society particularly the youth who are most vulnerable to this kind of vices, and it is a war that the police cannot win alone, without the support of community, NGOs, LGUs. Police cannot change the "root drivers" of the crime such as poverty, unemployment, dysfunctional liberties and other ills of socio-economic opportunities. Thus, all aspects of police work should be premised upon active community consent, trust and participation. Especially, BADAC in every Barangay.

Through monitoring conducted by the station Drug Enforcement Unit (SDEU) reveal that selling/trading, and using of illegal drugs particularly "shabu" had dramatically increased in the previous year. Thus, surveillance and casing operations with the support of informants was sustained to identify the top illegal drugs personalities involved.

The support and cooperation of all sectors concerned is therefore necessary to address these concerns issue in order to guarantee the peace and safety of the citizenry.

IV. MISSION:

Calubian Police Station concurrently with its present function and mission and in coordination with Local Government agencies and Non-Governmental Organizations (NGOs) shall implement a responsive and holistic strategy to effectively prevent, control and suppress the proliferation of illegal drugs in the municipality.
