10. That disbursement of funds shall be for the specific purpose(s) for which they have been appropriated pursuant to Sections 335 & 336 of RA 7160.

It is understood that this review action does not authorize any item of appropriation that is specifically prohibited by or inconsistent with the provisions of law.

BUDGET MESSAGE

October 6, 2025

Hon. NATHANIEL B. GERTOS
Vice Mayor and Presiding Officer, and
The Honorable Members
Sangguniang Bayan
Bato, Leyte

Gentlemen:

Submitting herewith the proposed Annual Budget for FY 2026 of the Municipal Government for the General Fund and Local Economic Enterprise pursuant to section 318 of RA 7160 otherwise known as Local Government Code of 1991.

A. Introduction

This executive budget was prepared in consonance with the provisions of Local Budget Memorandum No. 92 using the Improved Budgetary Forms and Formats introduced in the Updated Budget Operations Manual for LGU'S applying New Account Codes under the Philippine Public Sector Accounting Standards (PPSAS). Funds have been provided for the Programs, projects and activities needed for an effective delivery of basic services enumerated in the code.

The budget integrates the municipal development plan into the expenditure program by proposing only those projects which have been ranked as top priority in the Annual Investment Program.

The General Fund Budget for FY 2026 is composed of the Expenditure Program and Sources of Financing equally balanced in the amount of P 246,292,333.00 as illustrated in Exhibits 1 & 2.

Exhibit no. 1

**Expenditures Program (Distribution by Sector)
Budget Year 2026 (in million pesos)**

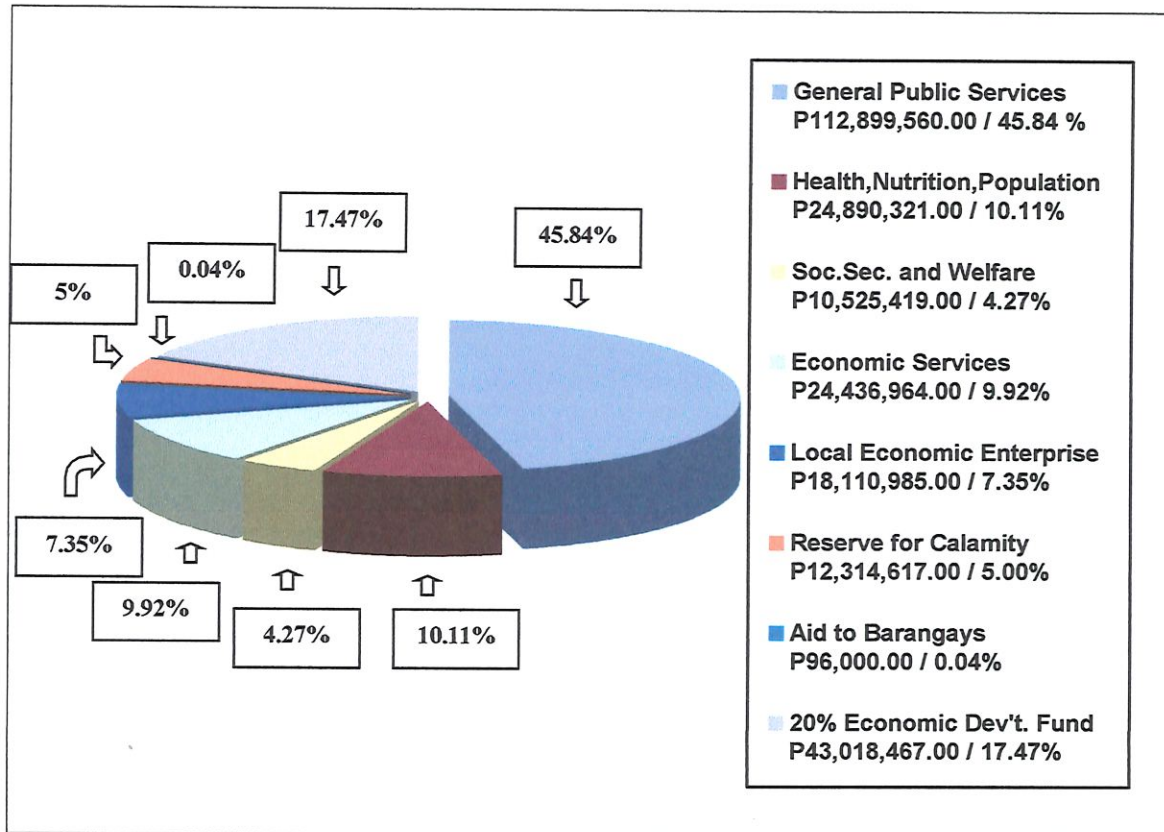

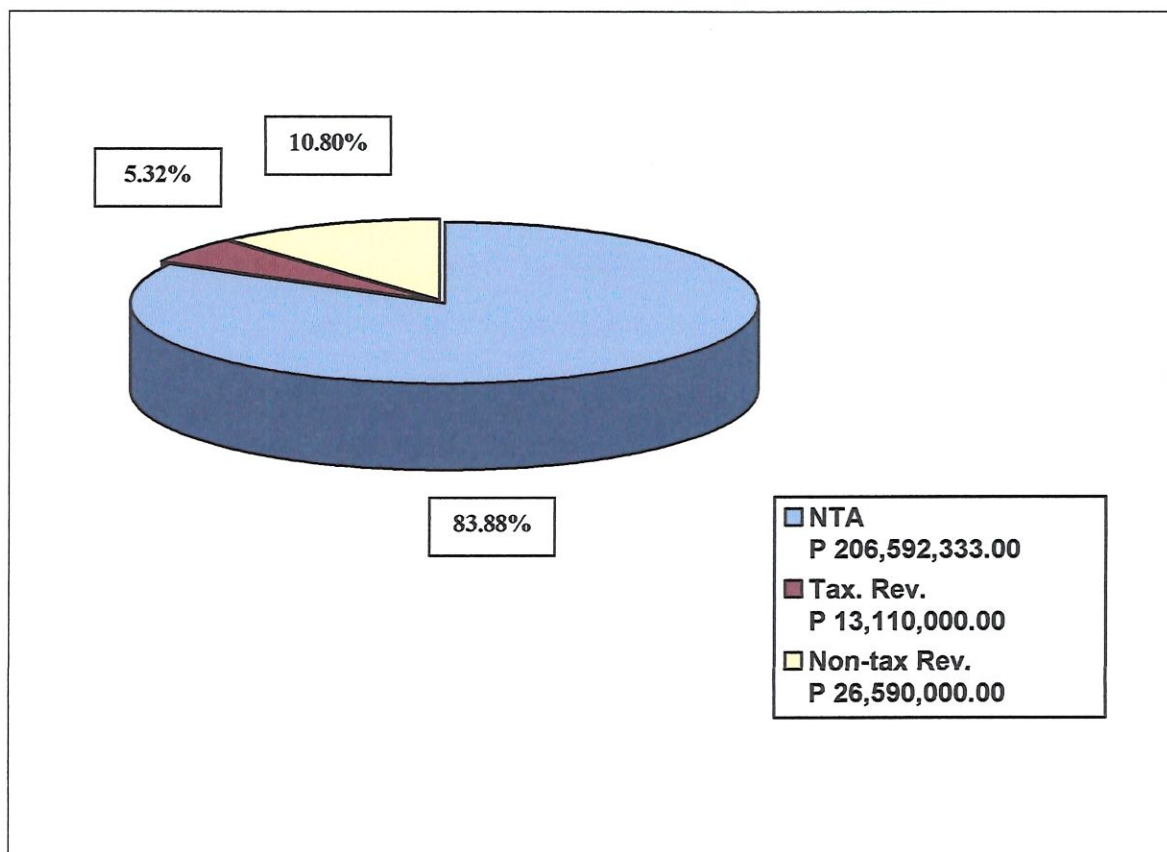

Exhibit no. 2

**Distribution by Type of Revenue for Budget Year 2026
(in million pesos)**

B. Goals and Objectives

The Local Government hopes to attain the following during the plan period:

Goal:

The community is provided with the needed basic services to uplift their quality of life.

Objectives:

1. To enhance the delivery of basic services through the provision of funds for special projects.
2. To develop and upgrade road networks especially farm to market roads.
3. To increase farmer's income through increased agricultural production with the introduction of high yielding rice and corn varieties and root crops production.

C. Fiscal Policies

Some revenue generating measures are as follows:

1. Intensified tax administration from RPT to business taxes and fees.
2. Enhance tax collection thru tax information campaign and intensified tax collection effort.
3. Formulation programs and projects responsive to the Need of the people.
4. Increase awareness of the populace on the programs and projects of the Municipality.

D. Program Thrusts and Priorities

It has been projected that the income for the Budget Year 2026 will reach **TWO HUNDRED FORTY-SIX MILLION TWO HUNDRED NINETY-TWO THOUSAND THREE HUNDRED THIRTY-THREE (P246,292,333.00) PESOS** and **TWO HUNDRED SIX MILLION FIVE HUNDRED NINETY-TWO THOUSAND THREE HUNDRED THREE PESOS (P206,592,333.00)** is estimated comes from national government in the form of NATIONAL TAX ALLOTMENT (NTA).

The figure shows that the LGU depends greatly on the national government through the NTA.
