Dear Vice Governor Sandy,

Our primary objective is to create a sustainable grassroots basketball program throughout Eastern Visayas, particularly in the Province of Leyte, by providing quality competitions and training opportunities that will help identify and develop future athletes while promoting healthy lifestyles and positive values among the youth.

In this regard, we respectfully request the support and recognition of the Provincial Government of Leyte and seek opportunities for collaboration in sports development programs, youth activities, and community-based basketball initiatives that will benefit the young people of our province.

We believe that through a strong partnership with your office, we can contribute significantly to the advancement of sports and youth development in Leyte and the entire Eastern Visayas region.

Thank you for your time and consideration. We look forward to working with your office in promoting the welfare and development of our youth through basketball.
