Be it ordained by the Sangguniang Bayan of Burauen, Leyte, in session duly assembled:

"Section 3. Background. – These guidelines are in consonance with the provisions of the Department of Social Welfare and Development (DSWD) Memorandum Circular No. 11, series of 2019, concerning the implementation of the AICS.

Assistance to the Individuals in Crisis Situation (AICS) is a provision of integrated services to individuals in crisis or difficult situation of the Municipal Social Welfare and Development Office (MSWDO), in which beneficiaries of the program may seek assistance directly from the Municipal Social Welfare and Development Office or through referral. The services under the AICS Program could be granted/extended to individuals/families solely based on the Registered Social Worker's assessment of client's/family's needs.

Under the Department of Social Welfare and Development (DSWD) guidelines, an individual or family in crisis situation can generally avail of the assistance only one every three (3) months per type of assistance. However, if the client needs assistance again within three (3) months, it may be granted but it requires a new assessment and justification from a social worker based on the urgency of the situation and approval from higher authorities, and subject to fund availability.

The Assistance to Individuals in Crisis Situation acts as a complementary service of the Local Government Unit where it provides a temporary safety net for the urgent needs of an individual or family in-crisis situation. This provides individuals and families direct aid (cash, cheque, food or non-food) for immediate needs of individuals and families struggling to provide it instantly.
