OFFICE OF THE SANGGUNIANG BAYAN

EXCERPT FROM THE MINUTES OF THE SANGGUNIANG BAYAN OF
HINDANG, LEYTE, IN ITS REGULAR SESSION HELD ON JULY 21, 2026 AT THE
SB SESSION HALL

ORDINANCE NO. 2026-07

AN ORDINANCE ESTABLISHING THE MUNICIPAL ANTI-RABIES PROGRAM
OF THE MUNICIPALITY OF HINDANG, LEYTE, PROVIDING GUIDELINES FOR
RESPONSIBLE PET OWNERSHIP, RABIES PREVENTION AND CONTROL,
PRESCRIBING PENALTIES FOR VIOLATIONS, AND FOR OTHER PURPOSES

Author: Hon. Jose Napoleon D. Montero

Co-author: Hon. Mikhael Anne Gelo D. Aboyme

EXPLANATORY NOTE

Rabies remains a serious public health concern because it is a preventable yet almost invariably fatal disease once clinical symptoms appear. The continued occurrence of animal bite incidents highlights the need for stronger local measures to ensure responsible pet ownership, regular vaccination of dogs and cats, effective control of stray animals, and immediate access to appropriate medical treatment for bite victims.

While Republic Act No. 9482, otherwise known as the *Anti-Rabies Act of 2007*, establishes the national framework for rabies prevention and control, local government units play a vital role in its implementation through the enactment of complementary local ordinances that address the specific needs and circumstances of their communities.

This proposed ordinance seeks to institutionalize a comprehensive municipal anti-rabies program by promoting responsible pet ownership, requiring the registration and vaccination of dogs and cats, strengthening public education and awareness, establishing mechanisms for reporting and responding to animal bite incidents, and prescribing appropriate penalties for violations. It also aims to foster cooperation among the Municipal Government, barangays, the Municipal Agriculture Office, the Municipal Health Office, law enforcement agencies, and the community in eliminating rabies as a public health threat.

(ORDINANCE NO. 2026-07 of the Sangguniang Bayan of Hindang, Leyte, RE: "An Ordinance, establishing the Municipal Anti-Rabies program of the Municipality of Hindang, Leyte, providing guidelines for responsible pet ownership, rabies prevention and control, prescribing penalties for violations and for other purposes" ... continued)

The enactment of this ordinance is consistent with Section 15, Article II of the 1987 Philippine Constitution, which mandates the State to protect and promote the right to health of the people, and Section 16 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, which empowers local government units to promote the general welfare by ensuring the health and safety of their constituents.

In view of the foregoing, the immediate enactment of this ordinance is earnestly sought.
