Dear Honorable Vice-Governor Javier:

Greetings!

We respectfully would like to inform your Office that, as of August 29, 2026, the Cutter-Suction Dredger (CSD) has been deployed in the water. Further, as of September 02, 2026, the CSD was no longer visible from the shoreline.

For your reference, we are submitting herewith the corresponding photo documentation in support of this notification.

SBMDC reaffirms its continuing commitment to comply fully with all existing rules and regulations of the Mines and Geosciences Bureau, other concerned government agencies, and the relevant local government units. We likewise look forward to your continued guidance and oversight as we move forward to the company's eventual operations.

Should there be any further instructions or compliance-related actions required on our part, please be assured of our immediate coordination and prompt action.

Thank you very much for your continued support and trust.

Respectfully Yours,

SILVESTRE JERIC E. LAPAN

President
