PROCEEDINGS:

At exactly **9:00 A.M.**, the Public Hearing commenced with the registration of participants followed by an invocation led by a representative from the Municipal Government. Thereafter, everyone joined in singing the Philippine National Anthem.

The Presiding Officer, **Hon. Rolando B. Legaspi**, welcomed all participants and thanked them for taking time to attend the consultation. He emphasized that public participation is an essential component of local legislation and that the purpose of the hearing was to ensure that the voices of every stakeholder would be heard before the enactment of the proposed ordinances.

He explained that the Sangguniang Bayan sought to promote public safety, discipline, and peace and order while ensuring that every proposed measure would remain fair, practical, and responsive to the needs of the community.

PRESENTATION OF THE FIRST PROPOSED ORDINANCE:

- **"An Ordinance Prohibiting the Drinking of Liquors and Other Intoxicating Beverages in Public Places within the Municipality of Tolosa and Providing Penalties Thereof."**

Hon. Rolando B. Legaspi presented the salient provisions of the proposed ordinance. He explained that numerous complaints had been received regarding individuals consuming alcoholic beverages in streets, sidewalks, parks, waiting sheds, transport terminals, plazas, and other public places. Such activities had reportedly resulted in disturbances, public nuisance, littering, altercations, and concerns regarding the safety of women, children, senior citizens, and commuters.

He clarified that the ordinance was not intended to prohibit responsible drinking inside private residences, duly licensed restaurants, hotels, or establishments authorized to serve alcoholic beverages. Rather, it sought to regulate drinking in public places where it adversely affects peace and public order.

The proposed penalties for violations were likewise explained, including corresponding fines and other administrative sanctions consistent with existing laws.

PRESENTATION OF THE SECOND PROPOSED ORDINANCE:

- **"An Ordinance Imposing Curfew Hours for Minors within the Municipality of Tolosa and Providing Corresponding Penalties for Violations Thereof."**

The Presiding Officer then discussed the second proposed ordinance concerning the implementation of curfew hours for minors.

He emphasized that the measure was intended to safeguard minors from becoming victims of crime, exploitation, substance abuse, accidents, and other risks associated with being outside during late evening hours without proper supervision.

The audience was informed that reasonable exemptions would apply, particularly for minors who are accompanied by parents or guardians, those attending school activities, religious functions, emergency situations, official government activities, or lawful employment permitted under existing laws.

Hon. Rolando B. Legaspi stressed that the ordinance focuses on child protection rather than punishment.

OPEN FORUM:

The Presiding Officer opened the floor for comments, suggestions, recommendations, and inquiries from the participants.

Inquiry of Mr. Jaime Gallano

Mr. Jaime Gallano expressed his support for the ordinance regulating drinking in public places but requested clarification on whether passengers waiting for transportation inside the terminal would also be prohibited from consuming alcoholic beverages.

He further asked whether celebrations held within barangay facilities would be covered by the ordinance.

Hon. Rolando B. Legaspi clarified that the prohibition specifically applies to drinking in public places accessible to the general public. Passengers, commuters, and individuals inside transport terminals would not be allowed to consume alcoholic beverages. Barangay-sponsored celebrations conducted inside designated venues may still be permitted provided that the activity is duly authorized and complies with all existing municipal regulations. He emphasized that public intoxication and disturbance remain prohibited regardless of the occasion.

Mr. Jaime Gallano expressed appreciation for the clarification and manifested his support for the ordinance.

Inquiry of Ms. Gina Perez

Ms. Gina Perez stated that many parents work late into the evening and asked how the proposed curfew ordinance would affect minors who are merely waiting for their parents after school or attending review classes.

She also inquired whether the ordinance would immediately penalize minors found outside during curfew hours.

Hon. Rolando B. Legaspi responded that the ordinance adopts a child-centered approach. Enforcement officers shall first determine the circumstances before taking any action. The primary objective is to return minors safely to their parents or guardians and provide appropriate intervention through the Municipal Social Welfare and Development Office whenever necessary.

He further explained that penalties are directed mainly toward responsible adults or guardians who repeatedly fail to exercise proper supervision, subject to due process.

Ms. Gina Perez thanked the Committee for ensuring that the welfare of children remains the priority.

Inquiry of Mr. Alberto Sagrario

Mr. Alberto Sagrario expressed concern regarding the implementation of the ordinance on drinking in public places, particularly during town fiestas and civic celebrations where alcoholic beverages are commonly served.

He suggested that the ordinance should clearly distinguish between organized events with permits and unauthorized drinking sessions occurring along roadsides, waiting sheds, and sidewalks.

Hon. Rolando B. Legaspi agreed with the recommendation and informed the participants that the implementing rules would clearly provide exceptions for activities officially sanctioned by the Municipal Government. He reiterated that the ordinance specifically aims to address disorderly public drinking that creates inconvenience and threatens public safety.

Mr. Alberto Sagrario commended the Committee for considering practical concerns raised by the community.

Inquiry of Ms. Lydia Suyom

Ms. Lydia Suyom raised concerns regarding the implementation of the curfew ordinance, particularly with respect to students who participate in academic competitions, church choir rehearsals, sports events, and youth organization meetings that sometimes end late in the evening.

She requested assurance that responsible students would not be unnecessarily apprehended.

Hon. Rolando B. Legaspi assured the participants that the ordinance provides exemptions for legitimate educational, religious, cultural, civic, and government-sponsored activities. Enforcement personnel shall be required to verify the circumstances before implementing the ordinance.

He emphasized that coordination among schools, barangays, parents, and law enforcement agencies would be encouraged to ensure proper implementation.

Ms. Lydia Suyom expressed satisfaction with the explanation and encouraged parents to cooperate with the Municipal Government.

GENERAL COMMENTS FROM THE PARTICIPANTS:

Several participants openly expressed their support for both proposed ordinances.

Representatives from the transport sector noted that drinking inside public terminals has occasionally resulted in quarrels among passengers and drivers. They believed the ordinance would significantly improve public safety and commuter convenience.

Parents attending the consultation supported the proposed curfew ordinance, emphasizing that it would encourage greater parental responsibility and protect children from unnecessary exposure to nighttime risks.

Youth representatives requested that information campaigns be conducted before full implementation to ensure that students understand the purpose of the ordinance. Hon. Rolando B. Legaspi welcomed the recommendation and assured everyone that extensive information dissemination would be undertaken through schools, barangays, social media platforms, and community assemblies.

Barangay officials likewise committed their support in assisting the Municipal Government during implementation and public education activities.

Several participants applauded the Committee for conducting an open consultation before the enactment of the proposed ordinances, recognizing the importance of transparency and public participation in local governance.

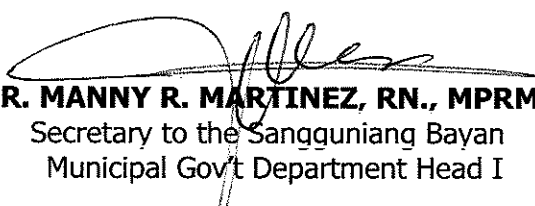

CLOSING STATEMENT:

Before concluding the proceedings, Hon. Rolando B. Legaspi thanked everyone for their active participation and valuable recommendations. He assured the participants that all comments, suggestions, and observations gathered during the public hearing would be carefully considered by the Committee before the proposed ordinances are presented for final deliberation by the Sangguniang Bayan.

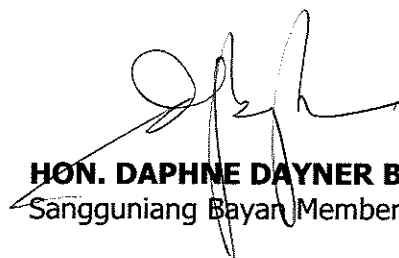

He reiterated that both measures aim to promote public safety, maintain peace and order, strengthen responsible parenting, and improve the overall quality of life of the people of Tolosa.

ADJOURNMENT. - There being no further matters to discuss, the Public Hearing was officially adjourned at 11:35 A.M.
