MUNICIPAL ORDINANCE NO. 20-25-005

AN ORDINANCE INSTITUTIONALIZING THE SCHOLARSHIP PROGRAM OF THE MUNICIPALITY OF ISABEL, LEYTE AND ITS IMPLEMENTING STRUCTURES, PROVIDING FUNDS THEREFOR, AND FOR OTHER PURPOSES.

SPONSOR: HON. DANILO M. CENTINO

PREFATORY STATEMENT

Recent studies show that about half a million of the Philippines' poorest high school graduates have been left without government support to pursue college education despite existing subsidy programs intended to help them.

EDCOM II, a national commission tasked to undertake a comprehensive national and evaluation of the performance of the Philippine education sector, through its Executive Director Dr. Karol Mark Yee said, that in 2021, a total of 501,704 senior high school graduates came from families under the Pantawid Pamilyang Pilipino Program (4Ps).

That same academic year (AY), however, only 495 of them received the Tertiary Education Subsidy (TES), a flagship program under the R.A. No. 10931, also known as the Universal Access to Quality Tertiary Education Act or simply the free tuition law.

Worse, no new application slots were opened from AY 2021 to 2022 until AY 2023 to 2024, the latest data entry presented by EDCOM II.

These circumstances are also prevalent in the Municipality of Isabel, Leyte wherein senior high school graduates are unable to pursue tertiary education due being unable to afford all other expenses such as, but not limited to, books, uniforms, board and lodging.

Section 1, Article XIV of the Constitution provides that "(t)he State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."

Section 447 (a) (5) (xi) of R.A. No. 7160, otherwise known as the Local Government Code of 1991, provides that the Sangguniang Bayan shall establish a scholarship fund for poor but deserving students residing within the municipality in schools within its jurisdiction.

Tertiary education is a valuable key that can help Filipino families break out of the poverty cycle, as families headed by tertiary degree holders earn, on average, two times as much as families who do not have post-secondary education. However, higher education is often only available to middle- and higher-income families who can afford to reap the benefits of obtaining a post-secondary education while poor families

continue struggling to reach beyond their current economic situation. In other words, the scholarship program is a tool and an instrument and giving an opportunity. By unlocking this opportunity, poor and low-income families stand to benefit the most and will be empowered both economically and socially to be able to fully participate in our democratic nation.

The Municipality of Isabel had already implemented a scholarship program in previous years but the institutionalization is necessary to ensure fund allocation as well as to centralize the operations for easy monitoring of the program.

The above mandate can be done and said objective can be achieved by the enactment of this ordinance and the corresponding appropriation of the required funds.

Be it enacted by the 20th Sangguniang Bayan in Regular Session assemble that:

SECTION 1. TITLE. This local legislation shall be known as the "Sidlak Isabel Scholarship Program Ordinance."

SECTION 2. DECLARATION OF POLICY. Pursuant to a constitutional declaration that accessible and quality and quality education is an alienable right of Filipino citizens, it is the Municipality's declared policy to protect and promote the right of its constituents to quality education at all levels

PREFATORY STATEMENT

Recent studies show that about half a million of the Philippines' poorest high school graduates have been left without government support to pursue college education despite existing subsidy programs intended to help them.

EDCOM II, a national commission tasked to undertake a comprehensive national and evaluation of the performance of the Philippine education sector, through its Executive Director Dr. Karol Mark Yee said, that in 2021, a total of 501,704 senior high school graduates came from families under the Pantawid Pamilyang Pilipino Program (4Ps).

That same academic year (AY), however, only 495 of them received the Tertiary Education Subsidy (TES), a flagship program under the R.A. No. 10931, also known as the Universal Access to Quality Tertiary Education Act or simply the free tuition law.

Worse, no new application slots were opened from AY 2021 to 2022 until AY 2023 to 2024, the latest data entry presented by EDCOM II.

These circumstances are also prevalent in the Municipality of Isabel, Leyte wherein senior high school graduates are unable to pursue tertiary education due being unable to afford all other expenses such as, but not limited to, books, uniforms, board and lodging.

Section 1, Article XIV of the Constitution provides that "(t)he State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."

Section 447 (a) (5) (xi) of R.A. No. 7160, otherwise known as the Local Government Code of 1991, provides that the Sangguniang Bayan shall establish a scholarship fund for poor but deserving students residing within the municipality in schools within its jurisdiction.

Tertiary education is a valuable key that can help Filipino families break out of the poverty cycle, as families headed by tertiary degree holders earn, on average, two times as much as families who do not have post-secondary education. However, higher education is often only available to middle- and higher-income families who can afford to reap the benefits of obtaining a post-secondary education while poor families

continue struggling to reach beyond their current economic situation. In other words, the scholarship program is a tool and an instrument and giving an opportunity. By unlocking this opportunity, poor and low-income families stand to benefit the most and will be empowered both economically and socially to be able to fully participate in our democratic nation.

The Municipality of Isabel had already implemented a scholarship program in previous years but the institutionalization is necessary to ensure fund allocation as well as to centralize the operations for easy monitoring of the program.

The above mandate can be done and said objective can be achieved by the enactment of this ordinance and the corresponding appropriation of the required funds.

Be it enacted by the 20th Sangguniang Bayan in Regular Session assemble that:

SECTION 1. TITLE. This local legislation shall be known as the "Sidlak Isabel Scholarship Program Ordinance."

SECTION 2. DECLARATION OF POLICY. Pursuant to a constitutional declaration that accessible and quality and quality education is an alienable right of Filipino citizens, it is the Municipality's declared policy to protect and promote the right of its constituents to quality education at all levels
