EXPLANATORY NOTE

The promotion of public safety and the preservation of peace and order are among the fundamental responsibilities of every local government unit. As the Municipality of Hindang continues to experience an increase in the number of motor vehicles traversing its roads, there is a corresponding need to strengthen local traffic management and encourage responsible road use.

Recent observations reveal recurring incidents involving unlicensed drivers, operation of vehicles without proper registration documents, defective safety equipment, reckless driving, and unauthorized operation of tricycles. While these matters are principally governed by national laws, particularly Republic Act No. 4136 (Land Transportation and Traffic Code), Republic Act No. 10586 (Anti-Drunk and Drugged Driving Act), and related issuances, the Local Government Code of 1991 empowers local government units to enact measures that promote the general welfare and ensure the safety and convenience of their inhabitants.

This proposed measure seeks to complement existing national laws by establishing local traffic regulations, promoting roadworthiness standards, creating a Municipal Traffic Management Unit, authorizing the issuance of local citation tickets, and prescribing administrative fines for violations of local traffic rules.

This Ordinance likewise recognizes that the authority to suspend, revoke, or confiscate driver's licenses and to impose national administrative sanctions remains vested in the Land Transportation Office and its duly deputized agents. Accordingly, the penalties provided herein shall be without prejudice to any sanctions imposed under existing national laws.

In view of the foregoing, the approval of this Ordinance is earnestly sought.

(ORDINANCE NO. 2026-11 of Hindang, Leyte, entitled: "Hindang Municipal Traffic Safety and Vehicle Regulation Ordinance of 2026 ... continued)
