Sangguniang Panlalawigan
Province of Leyte

Dear Honorable Vice Governor and Members of the Sangguniang Panlalawigan:

Warm greetings from the Department of Environment and Natural Resources (DENR) Region VIII.

We write in response to the request of your esteemed Office, made through Sangguniang Panlalawigan Resolution No. 2026-833, for an inventory of all barangays in the Province of Leyte that are located within, or have portions falling within, areas classified as Timberland.

In compliance with that request, we respectfully indorse the attached Memorandum from the Chief of the Surveys and Mapping Division of this Office. The memorandum presents the results of the inventory, prepared on the basis of the available land classification and barangay spatial data. In summary, it identifies barangay areas within Timberland consisting of 5,432.915 hectares of Mangrove Timberland and 154,262.104 hectares of upland Timberland, copy of the inventory table, and the map showing the location of the affected barangays is attached as Annex "A."

In the interest of full disclosure, we respectfully draw the Honorable Body's attention to the qualification stated in the memorandum. The figures are subject to change upon the issuance of the finalized and approved re-plotted Land Classification Map for the Region. Accordingly, the inventory is submitted for reference and for whatever lawful purpose it may serve the Province, and it should not be taken as a final determination of land classification.

We trust that this submission will assist the Honorable Body in its legislative and policy deliberations. This Office remains ready to provide technical clarification or further assistance that the Sangguniang Panlalawigan may require.

Thank you for your continued partnership in the stewardship of Leyte's forest and coastal resources.

Very truly yours,
